

## School Concert To Be Presented

Music will fill the air next Thursday at 8 p.m. when the Pine Grove School's Spring Concert commences in the school auditorium.

Sharing the spotlight at the musical festival will be the Pine Grove Orchestra, violinist Norita Jones, the Boys Chorus and the Girls Chorus, tenor soloist Tom Heiser, and the Madrigal Group, which is comprised of Pine Grove students and teachers.

The orchestra, under the direction of Gerald Meeder, will open the program with the Pine Grove March. The music of this school march is by Mario Guarneri, and the original words are by the Pine Grove Student Committee.

Works by Johann Sebastian Bach, Chopin, Mendelssohn, Passacaglia and Fugue, arranged by Delwyn Elliott, conclude this portion of the orchestral presentation.

Norita Jones follows the orchestra with a performance of Bach's Violin Concerto in E Major. Mrs. Jones will be accompanied by Mrs. Jones on the piano.

The Boys Chorus will take the stage next and, directed by Sara Sauerman, will sing three numbers.

The first, the famous "Battle Hymn of the Republic," is arranged by Peter J. Wilhousky. The second is a rollicking English sailor song, "Just as the Tide Was Rolling," arranged by Beatrice and Max Krone.

Tenor Tom Heiser is featured next as he sings with the Girls Chorus. The group will present first, "Christopher Robin is Saying His Prayers," by A. A. Milne and H. Fraser-Simson.

They follow this with a nostalgic Old English ballad, "When Love is Kind," arranged by Leiland Forsblad. The Girls Chorus concludes with the beautiful "Sanctus," from the Requiem, by Hector Berlioz, with Tom Heiser as soloist.

Students and teachers combine their talents in the Madrigal Group which will perform next. They will do the number "Welcome Sweet Pleasure," by Thomas Weelkes.

The orchestra takes over once again as they conclude the program with three numbers.

"Tune by Tune," arranged by Delwyn Elliott, is the first. It's a comic number in five parts. The orchestra follows this with two numbers with a Latin beat. "La Virgen de la Macarena," featuring Mario Guarneri on the trumpet, is the first, and is followed by the rousing "Rumba," which has been composed and arranged by Delwyn Elliott.

The services will begin at 8 p.m. each evening, and the guest musician, the Rev. Robert W. Lutnes, pastor of the Student Congregation at Pacific Lutheran College, Parkland, Wash., will speak at each service.

He has chosen as his themes, "A Spiritual Traffic Jam," "Are You a Palimpsest?" "And Lead Us Not," and "Over These Prison Walls."

Mr. Lutnes, a native of Longview Washington. His parish duties have been with three congregations. He organized Hope Lutheran Church in Hines, Oregon, in 1945, and in 1947 he organized Redeemer Church in Napa, California.

In 1951, he went to Hope Lutheran Church, Tacoma, Washington, where he served until September, 1955 when he accepted the call to become pastor of the student congregation at Pacific Lutheran College.

## Lutheran Church To Hear Guest

Beginning Sunday and continuing through Thursday a series of evening services will be held at Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette.

The series is a part of the Lutheran Evangelical Mission which is being sponsored by the National Lutheran Council Churches of the Bay Area. Our Savior's is one of 60 congregations participating in this preaching mission.

## Suburbia Scribblings

### Superduper sitting service set for series

THE LADIES HOME JOURNAL came to Orinda last month for material on their "How America Lives" series . . . but this particular pictorial write-up may well be subtitled "How Mothers Survive," thanks to local ladies who mustered their efforts and other mamas to organize baby-sitting on a grand scale locally.

Patterned after a similar setup by the Palo Alto AAUW (Univ. Women), the Orinda group has swelled to incl. over 100 families over a 2 yr. period and success of this suburban sitter-service can be credited to Doris Lieber, Margaret Kosak, Ruth Anderson, Betty Moore, Lo Glascock, Joanne Titmus, Anna Lee Schneider.

In keeping w/ the mag's motto, "Never Underestimate the Power of, etc.," we'll be watching for them in print. If you're interested in swapping sitting services, call Mrs. John Glascock, CL 4-3044.

ANTI-LITTERARY Notes: The end of April winds up the ANTI-LITTER campaign, but we're sure the success of it will linger on. Don't you find yourself awfully conscious of stray papers that will look better concealed in the trash cans or the attractive new wishing wells? The children, too, are very impressed and litterbug-conscious. We watched one young fellow in front of Black's . . . Threw his popsicle paper down, started off at a run, paused to reconsider and returned to pick it up and place it in a disposal box.

Right after the pledges were signed at school, two 1st grade lads from Sleepy Hollow conscientiously covered their entire neighborhood w/ a little red wagon and brought it home piled high w/ papers, to one of the mothers who, they insisted, should take it to a Wishing Well for them to burn and to make a wish. The mother, Mary Grah, checked w/ a phone call, learned better. But the boys were just as happy making wishes while the litter burned away in the backyard incinerator. We'll bet your wishes came true, Buddy Grah and Jimmy Campbell!

CUBS OF DEN 5, Pack 212, did an encore of their Pack Mtg. skit for the Orinda School Assn. last Friday. . . . The clever and original skit by Den Mothers Lesly Cooper and Betty Bell, who tied up the monthly theme of "birdwatching" w/ the anti-litter campaign and some tricky tongue twisting words and came up w/ a real grinner of a winner!

The Poster Contest brought out so many wonderful creations that the Judges comprised of some seven adults deliberated for 3 hours before making their final choices!

PEOPLE ARE TALKING ABOUT the artistic Redwood Wishing Wells that now grace strategic spots in Orinda and want to know who made them. Working w/ the Garden Club, Mr. James Burke contributed his services as his part in the campaign and made some seven of the well-crafted containers. We learned that woodworking is his favorite hobby, along w/ a good game of golf. Mr. Burke lives at 170 San Pablo where he has made his home w/ his wife Elizabeth since 1940. He is the father of Gladys Schwatka, Orinda Atty. and the Grandfather of Susan Schwatka, Orinda Park Pool Swim Champ.

A BIG THANK YOU FROM EVERYBODY, Mr. Burke!

Classic cars compete with jazzy jobs

The Sportscar races at Pebble Beach and the Concours D'Elegance, featuring 150 cars, (45 classic, 5 antique, and some 100 classy chassis) attracted many localites, last weekend, to the Monterey Peninsula. . . . Among them, ardent auto hobbyist Steve Barden, son of the Lance Bardens, whose concours entry in the classic category was his '39 Packard V12, Body by Brunn, which he has spent considerable time refurbishing.

SANDWICHED IN BETWEEN THE FANCY FERRARIS, Fiats, Renaults, Rolls Royces, our station wagon bumped bumpers w/ the best of them all the long trip home Sun. nite. The entire Pebble Beach procession inched into Los Gatos like little bugs crawling along in a lazy line.

The Robert Kilpatrick of Don Osos drove down in their Austin-Healey for the wknd. and the Werner Coopers opened up their house at Pebble Beach. The O. W. Suttons and the Preston Blounts were also among the 40,000 enthusiasts attracted to the seventh annual races.

Bill Keating w/son Ricky and Paul Moore went down for Sunday and the Alan Waddells, (she drives an MG Magnett, he an Aston-Martin) had planned on going but had just returned from a Palm Springs respite and decided not to buck the heavy traffic.

TELEPHONE TRANSCRIBBLINGS . . . The Don Hagues of Sleepy Hollow have moved to LA where he'll head a new frozen food dept. for Carnation. The Charles Ivys can swim in their own bkdy. this summer, their new pool nearing completion. One of the busiest women we know has had a temporary rest enforced upon her. . . . For the records, Charlotte Chapple wasn't BIT by a RATTLER . . . she was HIT by an ANTLER, rather her foot was pierced when she stepped on one!

Surprise Party Farewell Given Pastor Andersen

About 75 friends from the congregation of the Shepherd of the Valley Lutheran Church surprised the Rev. Edward R. Andersen and his family last Friday with a surprise party.

Mr. Andersen, who conducted the initial survey in this area for the church and headed its organization, is resigning his position as pastor after having served for three years.

Among the gifts of appreciation presented the Andersen's at the potluck supper were a seven piece silver coffee and tea service, and a pair of pearl earrings to Mrs. Katherine Petersen, Mrs. Andersen's mother.

## Orinda Value Days Will Offer Specials Next Week

Orinda Value Days will be here for three days next week—Thursday, next Friday and on Saturday, May 5.

On those three days, special buys and special services will be offered by Orinda stores. Sponsored by the Orinda Chamber of Commerce, the event promises to be one of the most popular ever held here.

"Outstanding values in quality merchandise will be offered on Orinda Value Days—May 3, 4 and 5," John Ogden, chairman of the merchants' committee of the chamber, points out. "Window signs at the stores will call attention to the occasion."

A SCRAMBLED WORD CONTEST will be a special feature of Orinda Value Days. Through this contest, you can win a \$20 cash order on any Orinda store participating in Orinda Value Days.

How? It's easy. Just read the Sun Shopping News next Wednesday, May 2, or The Orinda Sun of next Friday, May 4, and note the coupon indicating the number of words in the scrambled sentence.

You will easily find one "scrambled word" in the same type face in each Orinda Value Days ad in the paper. The words will be easily identified, as each will be placed all alone in each ad.

Put the words together into the "secret" sentence—which will describe shopping in Orinda.

Then take the coupon to the Orinda Sprouse-Reitz store or to the Village Shoe Shop—or mail it to The Orinda Sun, Box 147, Orinda.

In case of ties, the award will be divided equally among winners.

ALSO AMONG the novel arrangements prepared in connection with Orinda Value Days are a Cinderella Contest at Al Baer's Village Shoe Shop and the offering of prizes at the Sprouse-Reitz store.

Baer has two individual shoes—not mates—each of which is 75 years old. They're from a San Francisco collection. The person who comes closest to guessing the size of each shoe will win a pair of Keds or Keddies. No purchases are necessary in order to enter this contest.

At Sprouse-Reitz, the following prizes will be offered: First prize, a 20-piece moss rose dish set; second, a bath mat set (choice of color); third, a 19-piece luncheon set. Tickets will be given with all \$1 purchases. Awards will be announced at 3 p.m., Saturday, May 5.

WHAT'S DOING

Howard Greenhalgh, your Telephone Manager in Orinda

Special schools for telephone people

The young lady at right is putting in her first day with the telephone company. Actually, she's in school, training at a practice switchboard to be an operator. In the same way, lots of other people with no telephone experience have become skilled in telephone work. We run many different schools for our employees, to train them as linemen, service representatives, and so on. This special schooling helps telephone people build better careers for themselves. And it also means your service is always in the hands of well-trained people. The men and women of Pacific Telephone work to make your telephone more useful every day.

Seen "Telephone Time" on TV?

"Telephone Time" is a new dramatic TV series, on home screens in the Pacific West for the first time this month. It is narrated by John Nesbitt and based on his own true stories gathered the world over. This Sunday, "Telephone Time" brings you a suspense story called "Away Boarders". It tells of a risky and important capture during World War II of the German submarine U-505. Each week there will be stories of heroism, comedy, history or warm human emotion—always true, always entertaining. Make "Telephone Time" a regular Sunday viewing habit. Please check your television log for local time and station.

Find It Fast In The 'Yellow Pages'

Directory advertising representatives are now working in Contra Costa County to help business men arrange their yellow page advertising for the new telephone directory soon to go to the printer. Remember, 9 out of 10 people go to the yellow pages when they want to find out those who sell or serve. Just call YE 4-6781 and ask for a directory representative.

## Walnut Creek to Greet Stevenson Next Thursday

Adlai Stevenson will visit Walnut Creek on Thursday morning to greet the voters of this area, according to Douglas Page, Chairman of the Stevenson Campaign Committee of Contra Costa County.

Stevenson will arrive in Walnut Creek at 8:15 and will be welcomed on the steps of the City Hall, Ygnacio Road, by Mayor Edward C. Counter and other city officials. "We believe that many people will plan to leave for work early enough to stop by the Park for a brief chat with Governor Stevenson," said Mr. Page.

Mr. Page also announced that on Tuesday, May 8, Governor Stevenson will make a second appearance in Contra Costa County and will speak at a rally to be held in the Richmond Auditorium at 8:30 p.m.

## Three Detours Opened for Area Motorists

Motorists have been cautioned to be alert for changes in highway conditions on construction projects in Lafayette and Walnut Creek areas this week when three detours were placed in service.

Announcement was by B. W. Booker, assistant state highway engineer.

Last Monday, all four lanes of traffic on Sign Route 24 near Acalanes Road west of Lafayette were routed along a short detour closely adjacent to and southerly of the existing highway.

Use of this detour, for about one month, will permit construction of a culvert through the existing traveled way.

On Wednesday, two detours were opened on the construction project between Walnut Creek and Monument on Sign Route 24.

One of these will start just north of Parkside Drive and extend to a short distance south of San Luis Road. All traffic will be routed over the detour road, which is situated just west and parallel to the existing highway, to permit construction of the Walden Road overcrossing.

The other new detour on this project will be located near Astor Drive. Traffic will use the detour road a short distance east of the existing highway during construction of a box culvert at this point.

## Acalanes Heads Evaluate Special Student Program

Acalanes High School District trustees termed the work-experience program conducted for commercial students at Las Lomas High School a "success" this week, after hearing a report by Dwight Crum, Las Lomas commercial instructor, and Leland Russell, principal.

According to the report, Las Lomas commercial students work at Walnut Creek firms, selling, during the afternoon and attend morning classes related to their work experience program.

The program will be expanded next year to include clerical as well as selling experience. Trustees expressed their appreciation to the Walnut Creek firms involved in the student training program.

**THE HIGH SCHOOL** board "as a community service" approved the use of the Las Lomas swimming pool by the Walnut Creek Recreation Department and the use of the Acalanes pool by the Lafayette Red Cross for summer community use.

Trustees agreed to continue the district's contract with the County Superintendent's audio-visual service, and approved utilization of county guidance personnel as required, the cost of such use to be borne by the high school district.

Tenure with the district was also granted to fifteen teachers: Kenneth Bailey, Helene Culver, George DeKlotz, Donald Fraser, Robert Kirkpatrick, Edward Leach, Mario Menecini, James Nelson, Robert Pape, Marjorie Leason, Helena Salaverria, Thomas Stumper, Leonard Stenberg, Victor Widmer, and Robert Wilde.

## Campaign Versus Mental Illness to Start Sunday

Sunday will see the beginning of the most intensive campaign that this country has ever waged against mental illness, when the National Mental Health Week program gets under way.

On that day volunteers in Walnut Creek, Alamo, Pleasant Hill and Concord will launch the 1956 Mental Health campaign against what is recognized as the nation's number one health menace, according to E. Walton Kirk, president of the Contra Costa Mental Health Association.

**THE MENTALLY III** Need Your Help—Give—Join—is the slogan for the drive, which seeks both volunteers and funds. The County Board of Supervisors have unanimously endorsed Mental Health Week and called "upon citizens of the County to help the mentally ill by working in behalf of improved and expanded treatment facilities."

Kirk said that local residents will have many opportunities to participate in the effort to educate and alert the public to the problems faced by the victims of mental illness.

The El Ray Theater in Walnut Creek will feature a brief film commentary on Mental Health by Burt Lancaster, daily throughout the week of April 29 through May 5. Radio station KECC will run daily announcements of current Mental Health News and activities.

**ON MONDAY** the local Mental Health Association will sponsor a field trip to Napa state hospital. The hospital will have open house activities throughout the week.

W. S. Watson will speak to the Walnut Creek Kiwanis Club at their noon meeting on Monday at the Walnut Creek Women's Clubhouse, on the topic, "The End of the Snakepit."

Alice Mc Masters will speak to the Pleasant Hill Sororistomist Club at their 12:15 p.m. meeting at the Pleasant Hill Community Baptist Church on Monday on the subject of "Mental Health in the Business World."

The local Mental Health Association will hold open house from 3 to 5 p.m. and again from 7 to 9 p.m. on Tuesday in the group's new offices, located at 1415 Pine Street in Walnut Creek.

**Dr. Wrenshall A. Oliver**, director of clinical services at Napa state hospital is to be the main speaker at the public meeting of the Contra Costa County Mental Health Association at 8 p.m. on Wednesday in the All Purpose room of the Pleasant Hill Intermediate school on Boyd Road in Pleasant Hill.

Dr. Oliver will discuss the "Development and Treatment of the Mentally III."

"New Horizons for the Mentally III" will be the title of the evening, according to Dr. Frank Wasserman, chairman of the meeting. Miss Marguerite Green, a psychiatric social worker from the Department of Mental Hygiene of Oakland, will comment on the organization R.A.F.T. (Relatives and Friends Together of the Mentally III).

**QUESTIONS** to be answered by the speakers include: What are the advances in the treatment of the mentally ill? How effective are the new drugs and new programs? What is the new organization R.A.F.T.? and How can the mentally ill be helped in the community?

On Thursday, E. Walton Kirk, president of the County Mental Health Association, will be interviewed on the Ann Truax show at 10:15 a.m. on radio station KLX, Oakland.

**Dr. Hendrick Blum**, county health director, will speak on radio station KECC at 6:30 p.m. on Thursday.

At 8 p.m., the Board of Directors of the Mental Health Association will meet in their office at Walnut Creek.

Contra Costa citizens who are serving on the Board of the Mental Health Association are: Allan Ory of Walnut Creek; Mrs. Lloyd Richards, Mrs. William Reich and Robert Beldman of Pleasant Hill; Dr. W. A. Ketterer of Martinez; Dr. Richard Lininger

## Comedy Played Tomorrow at Center

The three-act comedy hit "Goodbye Again," which ran for 216 performances on Broadway will be presented by the drama group of Contra Costa Jewish Community Center at 8:15 P.M. in Parkmead School auditorium, in Walnut Creek, tomorrow.

Featured in the play directed by Helen Spitz are Leon Coher as Ken, Ethel Appel as Elizabeth, Harry Freeman as Arthur, Aaron Bjorksky as Harvey, and

of Orinda and Dr. Yoshiye Takasaki and Mrs. H. F. Neller of Lafayette.

The last two days of the week will be devoted to completing the house to house fund campaign, which will be carried on throughout the week by volunteers.

Contra Costa County organizations which have endorsed the program and urged its members to participate are: The Council for the Retarded of Contra Costa County, James Hendryx, president; The County Libraries, Mrs. B. Hellum, County Librarian.

**COUNCIL** of Churches in Contra Costa County, Rev. Roland Smith, president; Pleasant Hill Intermediate P.T.A., Mrs. B. Shepherd, president; Mt. Diablo P.T.A. Council, Mrs. Robert Adams, president; Juvenile Hall Auxiliary, Mrs. F. P. Loneragan, president.

Concord Business and Professional Women, Mrs. J. M. Christensen, president; Concord Valley Democratic Club, Gene Braselton, president; American Association of University Women, Mrs. H. A. Mutnick, president; and the Contra Costa County Young Republicans, Hal Bates president.

## Matt Walker to Speak Monday Before Mart

Deputy District Attorney Matt Walker will speak on the new "Outdoor Advertising Ordinance" in a 7:30 breakfast meeting of the Contra Costa Real Estate Board, Monday, at the El Nido.

The second in a series of lectures on Real Estate Evaluation will be held Tuesday at the Contra Costa Junior College. Purpose is to "teach brokers and salesmen to use the tools of an appraiser in representing values to their sellers and prospects."

## Gilbert, Realtors, Work For Better Financing

The road to home ownership for many Contra Costa families will be smoothed if the Congress accepts recent suggestions made by the nation's Realtors for greater equality in the financing of existing homes and new houses under the Federal Housing Administration program, Barney Gilbert, president of the Contra Costa Real Estate Board, said today.

Gilbert indicated that his support of the recommendations made by the National Association of Real Estate Boards, with which the Contra Costa Real Estate Board is affiliated, stemmed from the fact that the Contra Costa Area needs are reflected accurately in the national situation which NAREB's suggestions seek to improve.

"It is obvious that existing houses comprise the housing pool from which the majority of prospective purchasers must make their selection," Gilbert pointed out. Vigorous and admirable as the current rate of new house construction is, no one would contend seriously that it is capable of providing homes for all prospective buyers. In fact, about two existing houses are purchased each year for each new one."

Despite this over-shadowing importance of the existing house in satisfying the home ownership aspirations of the typical family, the Contra Costa Realtor executive said, this type of housing now suffers from less favorable FHA financing than that extended to new housing.

Gilbert cited these facts in explanation.

Under the existing Section 203 housing regulations and law controlling FHA home insurance operations, the minimum down payment for a new house purchased with an FHA-insured mortgage must be seven per cent of the first \$9,000 of value, plus 27

per cent of the excess over \$9,000 up to a maximum of \$20,000. For existing houses, the minimum down payment must be 12 per cent of the first \$9,000, plus 27 per cent on all above that figure up to \$20,000.

In other words, the purchaser of an existing home must make a 5 per cent greater down payment than one who buys a new house. The NAREB division of research has found that the recent tightening of the mortgage market has had its most serious effect on the financing of existing homes. As a result, increasing numbers of families in Contra Costa and throughout the nation have been forced to go into the conventional (Non-FHA-insured) market for the financing of existing home purchases.

The larger down payments, higher interest rates, and shorter maturity periods required under mortgages obtained without FHA insurance have forced many families in Contra Costa and throughout the nation to delay home purchases. In many cases, this situation has resulted in a denial of home ownership to average families.

"It is to help dissolve this real and growing barrier to the desirable goal of home ownership for the typical family that NAREB has recommended to the Congress that the disparity between FHA mortgage insurance obtainable on existing homes and new construction be removed," Gilbert explained.

The Congress is now considering pending 1956 housing legislation which might include the NAREB suggestion.

## Fund Drive Near Goal

Ninety-two per cent of the quota for Mt. Diablo Chapter, American Red Cross, had been collected as of last Friday, it was announced.

The fund drive, which began March 1, was extended into April by fund drive officials.

Of the communities within the Chapter Walnut Creek, Pleasant Hill and Orinda have not yet attained their quotas. Orinda, making strong gains, stood at 87 per cent; Walnut Creek, 63 per cent; and Pleasant Hill, 48 per cent.

Lafayette has completed its drive with a score of 102 per cent. Moraga-Canyon reported 120 per cent of its quota. Alamo, Danville, Diablo, Sun Valley and Ygnacio Valley attained and exceeded their quotas in the first days of the drive.

The chapter goal is \$29,000.

## Candidates Will Present Views At May 28 Meet

Candidates for county supervisor from District 2 and for the State Assembly, State Senate and United Congress have been invited to present their programs at a Candidates Night meeting May 28, 8 p.m., at Acalanes High School auditorium.

The public meeting is being jointly sponsored by The Sun and the Lafayette-Orinda Junior Chamber of Commerce, as a public service. Admission will be free.

A question-and-answer period will follow the talks of the candidates. There will be a time limit for each speaker's presentation, in order to assure fairness.

Circle the date—May 28! The Candidates Night program will be only eight days before the June 5 primaries, and you'll have the opportunity to hear and question the candidates.

## 'Musical Treat' by Diablo Choral is Tomorrow Night

A real "musical treat" will be offered at 8:15 p.m. at Acalanes High School tomorrow when the Diablo Valley Choral will present its annual Spring Concert under the direction of Nico D. Snell.

The description is by Mrs. Edward C. Shokal, choral president. Snell is a graduate of the Amsterdam Conservatory of Music in Amsterdam, Holland, and a student of Fred Roeske, noted European conductor.

**BEFORE MOVING** to Walnut Creek with his family from his native Holland seven years ago, he directed professional light opera and concerts throughout Holland.

He has directed several other choral groups in the United States, among them the noted Mormon Male Chorus. He is presently serving as Stake music director for the Berkeley Stake of the Church of Jesus Christ of Latter Day Saints, which encompasses Wards of the church throughout the entire East Bay area.

For Saturday's presentation, the choral will present Snell's arrangements of popular songs, with a medley of Rudolph Friml, in addition to light opera selections and songs of a more serious nature.

Alma Daniels, a talented pianist, will appear for the first time as piano accompanist. She is replacing Ruth Davis, who recently moved to Sacramento.

Each year Diablo Valley Choral invites a well known male soloist to share concert honors. Guest star this year will be tenor Paul Walti of San Francisco, who has sung numerous operatic roles with the San Francisco Opera Company, the San Francisco Symphony, and as soloist for NBC radio. In addition to his solos, Walti will join the choral in the Friml medley.

**SINGING WITH** the group will be three charter members of the original choral, which was directed by the late Nancy Pauline Turner from its founding until her death three years ago.

Charter members are Mesdames Allan Marson, Fred Dixon and Ted Ramsing.

This year the Council for the Retarded of East Contra Costa County will be the beneficiary of proceeds.

Tickets which sell for \$1 per person, will be available at the door of Acalanes High School auditorium, according to Mrs. Edward C. Shokal, choral president.

## Valley Art Center Plans 2 Special Events in May

"Two events of very special interest to all members of the Valley Art Center are planned for May," Center President, Michael Czaja of Walnut Creek announced at the Center's board meeting held recently at the Willows in Orinda.

On the calendar for Thursday at 8 p.m. is a joint meeting of the Artists' Market Committee and the Board of Directors of the Valley Art Center, to which all members of the Center and their friends are invited.

"PLANS FOR the future will be discussed as well as an outline of present activities operating within the framework of the Valley Art Center. The number and variety of activities are such that it becomes difficult for one person to become acquainted with the work of the Center as a whole. There are committees for operating the Market, coordinating and organizing classes, planning and hanging exhibits and shows, as well as the very important Permanent Site Committee, to name just a few," Czaja stated.

The meeting will be held at the home of Mr. and Mrs. Philip Merrill at 3486 Springhill Court in Lafayette.

On Saturday evening, May 12, the chant of an auctioneer will resound in the Town Hall at Moraga Road and School Street, Lafayette, as members of the Valley Art Center gather for a "box lunch social."

**ALL MEMBERS** of the Center are invited, the only requirements for admission being a membership card and, of course, a box lunch.

## Active Confab Is Jaycee Aim

Plans are being made this week by the Lafayette-Orinda Junior Chamber of Commerce for attendance at the Junior Chamber of Commerce State Convention in San Francisco on May 3, 4 and 5.

The Jaycee group is culminating a membership drive to attain 60 members prior to the convention date so that it will have four votes on the floor at the meeting. President George Yorg indicated that many members were planning to attend the meeting at which the state officers for the coming year are elected.

Robert Hickey, Lafayette-Orinda Jaycee member and state director, announced that he is acting as campaign manager for Izzy Gold for the state presidency.

## Canyon Callings...

By GLADYS SHALLY

**CLASSROOM CLASSIC**

As this is School Week, school news will be in order. Canyon School is working on the same project now being carried out in all county elementary schools, that of gathering all possible historical material of each district.

Mrs. Irene M. Spencer of the County Education Department is heading the project. But Canyon school children are doing even more—they are studying the flora and fauna and the conservation of all wild life in their area.

Both upper and lower grades have taken nature hikes, getting acquainted more intimately with the wild plants in their redwood region and adjacent Pine Ridge. The Little Room Rubyth Beers, the teacher, now calls it self "Woodland Guardians"—taking a conservancy pledge, also promising to keep school area free of litter. They have displays of drawings of flowers they have seen—and live displays (for a day or two at a time) of various fauna of Canyon, such as caterpillars, moths, lizards and water dogs.

Their next art project will be posters asking residents and visitors to please keep Canyon clean, and roadsides free of litter.

**"LIVING IN CANYON"**

The following are excerpts from essays which Principal Walter Hamblton required of his fifth to eighth graders. The subject was "Living in Canyon." Dennis Waldrep expresses his general thought in his title "Canyon Should Stay the Way It Is."

Patsy Crawford likes the hikes "where you find rocks, birds, animals, plants and trees—You can get to sleep at night and city people don't." Gary Foster wrote, "I like to live in Canyon because there are not very many cars—I don't want a highway to go through here. I would rather have Canyon be a park."

Gerald Goss had the same thought about cars, adding there was "little danger of getting hit." He also wrote there were "lots of trees to climb, lots of places to play and hike and lots of wild animals to see."

Danny Hull wrote, "a highway would tear down redwoods. I don't want more houses to be built which would 'make it a city.' Linda Logsdon also spoke of a park, saying it would 'keep the beauty for ever and ever.'"

She "doesn't think Canyon has changed much since 1888," opinioned Dotty Shally. She "hopes to see 'Canyon Park' some day on the map, or at least still see 'Canyon' on it."

**THE WAY I LIKE IT**

PLACES of historical interest were pointed out in Sandra Wells' paper. A modern touch was added, "it is just the way I like it."

Apply put is a sentence from Ronnie Waldrep's paper: "Every boy or girl needs at some time in their life to have freedom to go anywhere they please." To sum up, another quote from Sandra: "It is a place you can roam and have room to roam."

**Vote For Edward M. "Ed" Larmer**

**TO BE AUCTIONED** June 14 at Rheem Center and Clark's Market is this car and all the groceries in it, and also many other items—altogether, \$2000 worth of wonderful prizes. However, you want need money in order to bid! All you'll need are "Bid-a-Bucks." Between now and June 14 at all Rheem Center stores and Clark's Market, "Bid-a-Bucks" will be given to customers—for each dollar you spend, you'll receive a "Bid-a-Buck." With these "Bid-a-Bucks," you'll be able to bid on the many items to be auctioned off. The car has been donated by Gene's Motors of Lafayette. Vasco Giannini, co-owner of Moraga Meats at Clark's Market, shows the car and its contents to Mrs. Philip Minscheid.

## Moraga Dateline

By EVA THUNE, DR 6-5593

**POST OFFICE DRESSES**

Moraga's new Post Office, on the corner of Moraga Highway and School Street, is receiving a new dress. A lawn and lots of flower plants should make an already attractive building even prettier.

In case you have seen the yellow truck and surveyors working up and down Camino Pablo and Larch Road, it's not water coming in, but the Flood Control planning on how to keep it out! They still have no specific plans as to how this can be accomplished, but are merely getting the contour of the land and flow of the flood waters. Hopes are high in this area that the results will be worth all the work and worry of this past winter.

Water seems to go with fire, so now I must announce to all the single young girls that the handsome fireman, Keith Hieser, late of Moraga Fire Department, left this area last week to return to his home in Idaho Falls, Idaho.

**TUESDAY MORNING**, a farewell breakfast was given for Keith by the Moraga Fire Department at the firehouse. A parting gift of a spotlight was presented to him by the Moraga-Canyon Volunteer Firemen.

However, we can now say welcome to Bob Orland, who lives at 535 Miner Road, Orinda. Bob, we wish you good luck as our new fireman.

Last Wednesday, Mrs. Hilda Franklin, of Larch Road, entertained Mrs. Bella Garevich, former owner of the house, the Thunes bought, and an old friend of this neighborhood. Mrs. Garevich is in fine health and very happy in her new home, 649 39th Street, Richmond. Her telephone number is Beacon 3-3090, and I know she would be very glad to hear from her friends.

**SURPRISE MOVE**

It was a great surprise to learn of the transfer of Mr. and Mrs. Howard C. Vose and family, of 283 Rheem Boulevard, Mr. Vose will leave his present position to become General Sales Manager for the Belyea Company, whose headquarters are in Los Angeles.

The Voses moved up to the Bay Area in June, 1955, from Pasadena, and have resided on Rheem Boulevard for about four months, but in that time have become active in our clubs. Barbara being the Mother's Club President-elect for the next year. We are sorry to lose them, but wish them lots of good luck in their new venture.

**CAPTAIN AND BETTY** Parker, of Bollinger Canyon, are expecting a housewarming this weekend. She is Christina Lewin, who is connected with the British Colonial Service in Borneo. Miss Lewin is at present on holiday, and on her way to England, is passing through the United States, so plans to spend a few days with the Parkers.

In the Baby Department, Mr. and Mrs. Robert G. Harbath, of Camino Pablo, want all their friends to know that they have become very proud grandparents. Their son and daughter-in-law, Captain and Betty Parker, are expecting a housewarming this weekend.

She is Christina Lewin, who is connected with the British Colonial Service in Borneo. Miss Lewin is at present on holiday, and on her way to England, is passing through the United States, so plans to spend a few days with the Parkers.

**New Crop**

Small Size Frozen Peas

If you haven't tried them you're in for a real treat... They're small, sweet and tender... Really Delicious!

**Mr. and Mrs. Robert E. Harbath** of Berkeley, received their little boy, Craig, when he was five days old, and he was welcomed with great happiness. This is the Harbaths' first grandchild.

According to Roy Wells, Cubmaster of the Canyon-Moraga Pack No. 57, the Bean Feed given by the Cub Scouts and leaders Saturday night was a success. Approximately \$80 was taken in.

The Cub Scouts is a very active group, and they try to keep it interesting one. As this is a combined pack, each district has a den, their leaders being Jo Baix and Irene Ferreira in Moraga, and Rose Waldrup and Sally Waldrup in Canyon.

**TRAVELING CUBS**

Sunday 20 Cubs and families will leave Moraga at 9 a.m. on the Western Pacific Vista Dome for Stockton. There they will eat lunch, then return, arriving in Moraga at 4:30 p.m. Leaders for the trip will be Roy Wells and Will Williams, both from Canyon.

Tentative plan for the near future, is an airplane trip for the Cub Scouts from Oakland to San Francisco, where they will be conducted on a two hour tour of the new airport. More will be told about this when it is established fact.

While on Scout matters, there are eight boys in this area who are of Boy Scout age and anxious to form a troop. The only thing lacking is a leader. Anyone interested in this type of activity, please contact Captain Parker, president of the Community Club which is sponsoring all clubs of this type.

All residents of Moraga School District are urged to attend the next Community Club meeting, which will be held tonight at the Moraga Elementary School. Speakers of the evening will be Dr. Keith Goldhammer of Stanford Associates, Thomas Heaton, director of the Planning Commission staff, Contra Costa County, Frank Draeger, speaking for Utah Construction Company and Harold W. Smith, developer of the Rheem Estates.

As taxpayers and as parents, the problem of adequate schools should be of extreme importance to all of us. Make a point to be in attendance.

## Speakers Reign At Toastmaster Charter Banquet

The Larinda Toastmaster's Club of Lafayette and Orinda will hold its charter night banquet and ladies' night next Friday in the banquet room of the Las Palmas Hotel in Walnut Creek.

Activities will begin at 6:30 p.m.

**PROGRAM PARTICIPANTS** for the evening will be: George Sanko, president, chairman; Bill Thaler, table topics chairman; George McCormick, toastmaster; Dunc Duncan, master evaluator; Cliff Naslund, timekeeper.

Panel speakers will be Ken Anderson, Orinda, Hank Swab, Lafayette, and Mel Shine, Lafayette.

The Larinda Toastmaster's Club was organized two months ago. It is a non-profit educational civic club affiliated with the international at Santa Ana, California, and is dedicated to the art of self-improvement in speaking and discussion techniques.

**THE CLUB MEETS** every Monday night at 6:30 p.m. at the Casa Orinda in Orinda.

At the meeting held on April 23 the table topics winner was Dick Coleman. The speech winner was Dick Coleman. The speech winner was Dunc Duncan.

**BACK SEAT FOR KIDS**

When youngsters are riding in the car, the safest place for them is in the back seat sitting down. In the event of a quick stop they're less apt to be injured.

## Go to Church Sunday

### Episcopal

This Sunday at the 11 a.m. service, St. Paul's will welcome the Job's Daughters. Miss Kathy Terry, Honored Queen and member of St. Paul's Church, will read the First and Second Lessons. The Rev. Wilfred H. Hodgkin will preach on "Partnership."

Mr. Hodgkin will begin a new class on Prayer, Thursday, May 3, after the 11 o'clock service. A pot-luck luncheon will be served in the parish hall between 11:30 and 12:30, followed by the Prayer Class.

### Community

The Rev. C. E. Blossom, minister of the Orinda Community Church states that, "People talk about the 'era of the common man' and seem to imply by that phrase that there is a sort of 'mass man' who lives on a dead level. This is not part of Christian faith."

Mr. Blossom urges everyone to attend church and to share with him this Sunday morning a consideration of these matters. His sermon is "No Common Man."

Margie Tesman will sing Tompkins' soprano solo, "Consider the Lilies," at the 9:30 church service. "Christ, to Thee be Glory," composed by Sagittarius, is the selection to be rendered by the Chapel Choir at the 11 o'clock worship.

Dan Popovich, organist and chapel choir director, will play numbers by Franck, Lemare and Boellmann at both of these full services.

Tonight two of the three couples affiliated with this church will hold their monthly meetings. The Shipmates will gather at the home of Gerald and Virginia Semrau, 1118 Hilltop Drive, Lafayette, for a viewing of the American Friends Service film on a recent trip sponsored by Friends Service through Russia. The film will be shown by Ben Seaver.

The Clipper Club is to meet at Jim and Grace Campbell's, 74 Sleepy Hollow Lane. Rudy Monismith will give a talk on the work of the 4H Clubs.

He will be assisted by several young people who are actively interested and working in these clubs.

### Community

At worship services and church school, 9:30 and 11 a.m. Sunday, the Rev. Chester R. Lewis will tell the story of Micah and Hosea; the seventh talk in his sermon series, at both services.

The Methodist Youth Fellowship meets at 7 p.m. A panel discussion on "Choosing Your Vocation" will be held.

Two of the participants are Dr. John Moore and Mr. Boardman Moore.

Thursday morning at 10 a.m. the executive board of WSCS will meet in the church lounge.

Circle 3 of the Women's Society of Christian Service will meet at the home of Mrs. Mike Roberts, 739 Los Palos Drive, with Mrs. Ramsey as speaker. Dessert will be served.

Junior choir practice will be at 7 p.m. Thursday, with the adult choir practice an hour later.

### Episcopal

Regular services of 8 a.m. Holy Communion and 9:30 and 11 o'clock Litany and Ante-Communion will be held Sunday at St. Stephen's Episcopal Church, 12 Via Las Cruces, Orinda. The Rev. Albert Lucas, vicar, will be the celebrant at the Holy Communion service and will deliver the sermon at the 11 o'clock service.

Church school will meet during the 9:30 service and the adults attending this service will participate in a study session under the leadership of Mr. Lucas. The junior choir will assist the congregation with the musical portions of the service.

At 11 o'clock the senior choir

will sing "Grant Us Thy Peace" by Mendelssohn as an offertory anthem. Nursery care for pre-school children is provided in the basement of the vicarage during this service.

At 4 p.m. there will be a special service at which the Rt. Rev. Karl Morgan Block, Bishop of the Diocese of California, will administer the rites of confirmation.

The Young People's Fellowship will meet at 7 p.m. in the undercroft of the church.

### Baptist

"Forgiveness, a Divine Imperative," is the topic chosen by Dr. Kyle M. Yates Jr. for the 11 a.m. worship service at the First Southern Baptist Church, 1604 Mt. Diablo Boulevard, Walnut Creek.

At 7:30 p.m. his subject will be "The Greatness of a Church." Other Sunday services include Sunday school at 9:45 a.m. and Training Union at 6:30 p.m.

At 6:30, Dr. Yates will begin a series of classes on "Your Life and Your Church," designed especially for new members and for those interested in becoming members of the church.

This study will summarize Baptist beliefs, stress the principle doctrines of Baptists and try to help the new member find his place of service in the church.

The Womens Missionary Society will have its monthly meeting with Mrs. Ina Adams, 2023 Newell Avenue, on Tuesday at 7:30 p.m.

### Presbyterian

"To Be or No To Be—A Family," fourth in a series on Christ and the home, will be the subject of the sermon by the Rev. W. Carl Thomas, pastor of the Lafayette Presbyterian Church on Sunday at the Park Theater. There will be duplicate services at 9:30 and 11 a.m.

Church school classes are held at 9:30 and 11 a.m. at the Lafayette Town Hall for children over three. Nursery for both classes is at the home of Mrs. Ellen Brians, 1030 Brown Avenue, Lafayette.

The church library, located at the home of Mrs. Bert Everson, 1133 Thompson Road, Lafayette, has a variety of books. There is a list provided at church every Sunday morning. If you wish any book from this list, please call Mrs. Everson and she will bring it to the Park Theater the following Sunday.

Mrs. Brians needs another matress (crib) for the nursery. If you have one which you are no longer using please phone the church office, CL 4-5909, or Mrs. Brians, AT 2-2335.

The Lafayette-Orinda Presbyterian Church will have a May Festival, celebrating its second birthday on Friday, May 11, at 7 p.m. in the social hall of the Walnut Creek Presbyterian Church.

### Lutheran

"What's Going on Here?" will be the sermon theme of the Rev. Merle Tollefson, pastor of Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, at the 8:15 and 11 a.m. worship services Sunday.

The Sunday School meets at 9:30 a.m. for those in grades 4 through high school, and there is also a Bible class for adults at this hour. Those of pre-school age through grade 3 meet at 11 a.m.

At 6 p.m. Sunday the Senior Luther League will meet at the church with Pastor Robert Luthers, guest missionary at Our Saviors' during the Bay Area Lutheran Evangelism Mission in which the congregation is participating. Services will be held at the church each evening, Sunday through Thursday, at 8 p.m.

Tuesday evening, following the special service, the Board of Trustees will meet, and the Senior Choir will meet following the service Thursday evening. The Junior Confirmation Class will meet with the pastor Saturday morning at 10 a.m.

## Moraga Meet To Promote School Bond

The Moraga Valley Community Club will hold an open meeting in the Moraga School tonight at 8:30 p.m. in an attempt to win voter approval of the Moraga School District bond election next month.

According to Capt. Harold Parker, club president, "registered voters of the Moraga Elementary School District will have the opportunity to authorize a bond issue of \$250,000 and to authorize the obtaining of a \$250,000 loan from the state."

In conjunction with active promotion of this bond issue, several speakers will discuss the present and prospective development of Moraga, said Capt. Parker.

Among the speakers, according to Parker, will be Thomas Heaton, director of planning for Contra Costa County, who will include in his remarks a resume of the general plan for Moraga, which was adopted a year ago.

Another speaker will be Harold S. Smith, developer of Rheem Valley Estates, who, said Parker, "will summarize plans for that area."

Frank Draeger will present any available plans for immediate development by Utah Construction Company. Also on the agenda is Dr. Keith Goldhammer, who will present facts on the recently begun Moraga School District survey by the Stanford Associates.

Parker reports that the Board of Directors of the Moraga Valley Community Club has unanimously adopted a plan to contact every registered voter and urge his support of the school bond proposal. Alfred J. Carr is committee chairman for Precinct 1 and John W. Farley will serve as chairman for Precinct 2.

Parker reports that "a most thorough study by the Moraga School District trustees has shown that adequate school facilities for the immediate future cannot be provided without aid from the state, which is available only to those whose children are bonded to the present legal limit."

"Passage of the bond issue proposal next month will insure that owners of new homes and new businesses will assume a fair share of the cost of new schools which will be desperately needed."

## Reservoir Bills Under Fire at Public Meeting

The controversial "Reservoir Bills," which propose a vote on whether or not reservoirs and adjacent areas should be opened up for recreational use, were the topic of a debate at a public meeting at Lakeside Park Nature Center Building in Oakland on April 18.

The meeting was sponsored by the Regional Parks Association and was attended by a large delegation of local people.

S. C. Masterson, State Assemblyman for the 11th District, and F. H. Eastman, secretary of the East Bay Municipal Utility District Board, were the principals. Each had an opportunity to air his views on the subject.

Masterson spoke first, outlining the bill, the essence of which, he stated, would "merely give the people the right to vote on it." It would not, he emphasized, open up reservoirs for recreational use.

He pointed out that in some 19 or 20 cities and communities in California and in 29 other states, a water supply-recreational program is working successfully. San Diego has had this dual use of water supply for 40 years, he explained.

The Sacramento River, he said, furnishes water to the city of Sacramento. He added that "the river must be polluted to some extent before filtering."

Eastman then stated the views of the EBMUD, stressing that the main points of opposition to the use of public water supplies for recreational purposes are fear of polluted drinking water and danger of fire in surrounding areas.

**"ROPE," A MURDER MYSTERY**, will be presented four evenings next week, Wednesday through May 5, by the St. Mary's College Players at Le Fevre Theater at the college. ## St. Mary's Unit to Give 'Rope,' Murder Mystery

Saint Mary's College Players will present Patrick Hamilton's play, "Rope," a murder mystery, on the stage of Saint Mary's Le Fevre Theater four evenings next week—Wednesday through May 5.

Brother V. Matthews F. S. C., dramatics instructor, is directing the play. It will be his third production this year, the "Caine Mutiny Court Martial" and "Boy with a Cart" being the other two.

Economics major Darrel Gunther is production manager in charge of set direction, refreshments, publicity, ticket sales, lighting and sound effects.

Committees have been appointed to assist him in this work. "Rope" originally called for a partially feminine cast but has been revised for this production for use by an all-male cast.

Two of Hamilton's plays, "Rope" included, have been made into motion pictures. The other is "Gaslight."

## Baldwin Protests Hinted End of Canyon Post Office

Congressman John F. Baldwin has dispatched a letter to the Post Office Department urging the continuation of the post office at Canyon.

Baldwin stated in the letter that he had received a petition signed by 67 residents of Canyon, the result of a survey in the area conducted by the Post Office Department to find out how the residents of the area would feel about closing the post office, which stated that the people of Canyon are strongly opposed to such action.

In his letter Baldwin said, "I am very familiar with the Canyon area and should like to make a strong recommendation that the Canyon Post Office be kept open."

"The post office serves a very necessary purpose," wrote Baldwin, "and I feel that the strong views of the residents of Canyon should be recognized."

"They are firmly opposed to the substitution of rural delivery and feel that they would lose materially from a service standpoint if of Martinez has dispatched a letter to the Post Office Department urging the continuation of the post office at Canyon."

Along with the petition received by Baldwin was a letter from Mrs. Paul Foster, president of the Canyon Community Club which indicated that the Post Office Department has been making investigation into the possibility of closing the Canyon post office and substituting rural delivery.

## Final Appeal In Easter Seal Drive

Contra Costa County's 1956 Easter Seal Campaign closed last week with contributions totaling \$17,000 of its \$20,000 goal. In making a final report, General Chairman Mrs. Raley Wiles, expressed hope that \$3000 still necessary to reach the goal will yet be received.

She pointed out that a "sizeable" number of the 90,000 families who received Easter Seals when the drive opened last March 10 have not mailed in contributions.

Believing that there are many local citizens who have misplaced their seals and accompanying contribution envelopes, she emphasized that contributions can still be mailed to the Easter Seal Society of Contra Costa County, 1372 Main Street, Walnut Creek.

"Checks should be made payable to the Society. Small coins may be fastened to light cardboard with cellophane tape. The important thing is to get the contribution into the mail. There will be no reminders sent; no solicitors will call," she said.

Proceeds from the Easter Seal campaign are used to support the local Crippled Children's Society's program of medical and surgical care for crippled children and adults; special education to handicapped children. Also recreation programs for crippled children including resident camping; employment training in a sheltered rehabilitation workshop to open soon; and social service to families with crippled children.

## Air Reservists Will Sponsor Baseball Team

The 9441st Air Reserve Squadron has undertaken a new duty in the sponsorship of one of the teams in the Walnut Creek Coast League, this season. The team will be made up of boys 8 1/2 through 10 years and will be readily recognizable by the US-AFR WC conspicuously emblazoned on their jerseys.

From all reports this is the team to beat. It is managed by an excellent coaching staff headed by Fran Morris of Walnut Creek who was a noted professional ball player himself. In addition to Manager Morris the club boasts the hottest pitcher in the league.

The team is in its practice session now and the first game is scheduled for the second week in May. As there are 16 teams in the Coast League there will be a heavy 16 week schedule with a game a week.

The program for yesterday at the regular Squadron meeting was handled by Flight "D" under the command of Major Yates S. Bleuel of Orinda. The program, soviet economic activities was given by Capt. Tommy Burlingame of Walnut Creek. In addition to Burlingame's lecture there were two films covering the same subject.

**THIRSTY BATTERY**  
If the battery in your car takes an excessive amount of water it is likely that the generator charging rate is too high, says the California State Automobile Association. Overcharging can damage the battery if it is not corrected. If your battery is uncommonly "thirsty," have it checked promptly.

## Your Garden Don't Start Garden with Handicap!

If you're a "last minuter" (he who does things late) the news that there's still time for bare root planting should be a comfort to you.

You'll still find a great variety of rose bushes and deciduous fruit trees to plant. In deciding which kinds and sizes are best, remember there's no point in starting your garden with a handicap, which a bargain plant is likely to be. Quality costs just a little more and is much more rewarding.

Roses, you will find, are graded, numbers 1, 1 1/2 and 2, under a standard system.

Number 1 is the best, of course.

because it has three or more strong canes starting 3 inches or less above the bud union with at least two of the canes 18 inches long.

Number 1 1/2, second best, has two or more 15-inch canes, and number 2 has two canes of 12 inches or more.

You're wisest to choose Number 1 or Number 1 1/2. Canes on the plants should be plump, fresh and heavy.

In selecting the right kinds of fruit trees look for healthy plants, good sized, but not necessarily tall, for bigness doesn't necessarily guarantee outstanding performance.

## Timely Tips By Checklist

Here are this week's pointers from your Garden Checklist:

1. Plant these seeds now in the vegetable garden: Beets, broccoli, brussels sprouts, cabbage, cauliflower, celery, endive, kale, kohlrabi, lettuce, mustard, onions, parsley, peas, radish, rhubarb, spinach, sweet corn and turnips.

2. Spring is a most favorable time to seed new lawns.

3. All types of container grown shrubbery can be planted now.

4. Don't forget proper soil preparation. Some of the new chemical soil conditioners will render a soil loose and friable for prolonged periods of time.

5. Spring fertilized lawns are better prepared to stand the hot weather which is yet to come.

## County Gets Planner for Subdivisions

Herbert Malley, of Van Nuys, has been temporarily appointed associate planner for the Current Planning Section, County Planning Commission, according to Director Thomas Heaton. He will deal with subdivisions.

Malley is a graduate of the University of California, MA and AB Degrees. He also has had four years with the St. Louis University, St. Louis, Mo., in pre-law, political science and law. He recently returned from abroad where he has studied the work of the Planning Department of the London City Council, the Ministry of the Interior and the Haifa Municipality, Israel.

Malley is an affiliate member of the American Institute of Planners. He worked for five years as planning consultant for Napa County, on capital improvement and administrative studies for Stanislaus, Napa and Humboldt Counties, prepared preliminary master plan for Milpitas, California, and prepared prototype community facilities study for the State of California, Veterans of Foreign Wars' underprivileged youth program.

He has also been the Planning Research Analyst for the City of Oakland, and has served three years with the United States Air Force.

Malley will replace Mrs. Salt, subject to the Civil Service examination to be given this summer.

## Acalanes Teachers Feted at Luncheon

Acalanes High School students this week observed "Teachers' Day," as a special tribute to the faculty of the Lafayette school.

Teachers were feted to a fried chicken luncheon. Students seriously interested in teaching as a career served as "teachers," under faculty supervision, in some classes.

Student Body President Gene Bell stated, "We have the best teachers in the world at Acalanes and we feel we ought to take aside at least one day in the year to make sure they know we appreciate them."

The luncheon was sponsored by the Associated Student Body.

## Citrus Trees Are Both Regular, Dwarf Sized

Not only are citrus fruits among the most satisfying to grow, but also they are both regular and dwarf sized trees, so it is possible to enjoy them in any size garden or yard area!

Once you have determined that you can raise citrus fruits, choose your fruit trees from orange, lemon, mandarin, grapefruit, kumquat, tangelo and lime and from regular and dwarf sizes.

## Baldwin Calls For New Work On Watersheds

Congressman John F. Baldwin today stated that he has dispatched a letter to Major General E. C. Itchner, assistant chief of Engineers for Civil Works, Department of the Army, requesting surveys of five small watersheds in Contra Costa County as a preliminary step to institute flood control construction projects in these watersheds.

One of them is the Marsh Creek Watershed, east of Walnut Creek. The others are Rodeo Creek, Pinole Creek, and Kellogg Creek watersheds, and an unnamed creek in the northwest part of the county.

Baldwin said, "The Flood Control Act of 1950 authorizes the Secretary of the Army to allot funds for the construction of small flood control projects not specifically authorized by Congress when, in the opinion of the Chief of Engineers, such work is advisable."

"I should like to urge that the Corps of Engineers make the necessary surveys as soon as possible to determine the feasibility of these five small watershed projects."

"I am acquainted with all of these watersheds involved, and all were in very serious trouble during the floods in December, 1955. Corrective flood control work on these watersheds is most urgent."

## Artists Display Talents As Preview to Festival

Saturday, the Diablo Art Association Workshop became an arena in which local artists and artisans displayed their talents in a preview of the larger three-day Spring Art Show which will take place May 18, 19 and 20.

The show included both clothing and indoor exhibits of prints, paintings, pottery and enamel work.

**ON THE LAWN**, several members did art-in-action. Included in this latter group was Margaret Miller who silk screened posters advertising the children's "When I Grow Up" show to be shown in the Walnut Creek Recreation Center under the direction of Mary McNally.

Mrs. McNally was present at the preview exhibiting several examples of children's art. Another artisan at work, was Alma Phillips at her loom, demonstrating the art of weaving.

Portrait artists Christine Lee and Katy Madsen, who is general show chairman, displayed their talents.

**DANVILLE ARTIST** Connie Helm painted a landscape in oil, and Betty Pleshe of Concord showed how her famous minia-

ture gouache pictures are created. Mary Way and Emily Doscalos did watercolors and Lida Lawson did a landscape in pen-and-ink.

Roving cameraman DAA member S. G. Culver, snapped pictures of the days proceedings. Assistant Show Director Evadne Wenker acted as co-ordinator. Lemonade was served to visitors by Stephanie Lawson and Judi Jackson, who also exhibited.

## Acalanes Mothers To Tea Tuesday

Acalanes High School mothers will attend an annual "Mother's Tea" next week, Tuesday, at 2:15 p.m. in the school gym.

The tea will feature a modeling show of dresses and casual wear made by sewing students in the school's home economics department.

Teachers in charge include Mrs. Shirley Fraser, Mrs. Helen Dygert, home economics instructors, and Miss Vera Richardson, Acalanes Dean of Girls. More than 100 Acalanes girls will participate.

## Farm Bureau Will Meet Next Friday

Contra Costa Farm Bureau Women's county committee will meet with group leaders May 4 at 10 a.m. at the home of Mrs. Dante Littorno, 501 Castle Rock Road, Concord. Oak Grove (Concord) and Danville are sponsoring the event.

Oak Grove this year is taking over the menu and program. Mrs. George W. Fox, chairman, has as hostesses for the luncheon Mrs. George Butterfield of Walnut Creek, Mrs. Littorno, Mrs. Kenneth Ferrell and Mrs. Herbert P. Hammond of Concord and, in charge of decorations, Mrs. L. C. Firestone of Oakland.

**MRS. HARRY HOBBS**, of Knightsen, Contra Costa chairman, will officiate. She will give a resume of the Region 9 meeting of Farm Bureau and Farm Bureau Women at Dixon April 24 and also report on the annual Farm Bureau banquet where Home Department cooked and served.

Mrs. Hobbs asks that reservations be in by May 8 for the luncheon and reception May 15 at Woodland honoring Mrs. Alice Berry of Australia, president of Associated Country Women of the World. Mrs. Berry's destination after the United States will be India.

**THE NOMINATION** committee, Mrs. William Golden of San Pablo and Mrs. Fox and Mrs. Hammond of Concord, will report on their choice of officers for the 1956-57 season.

Mrs. Williams, county home ad-

visor, has arranged the annual Contra Costa tour for May 9. Reservations with check must reach Mrs. Mary Ryon Williams, P.O. Box 390, Pittsburg, by May 4. Highlights of the trip will be the Simon Manufacturing Company,

# Will It Be Your Child Next?

Will your child be killed or maimed to-day — or tomorrow — or next week?

Are you sure that you have done everything in your power to protect your youngster from death or injury on your driveway or street?

Have you checked your own tendencies to "just drive at normal speed" through the subdivision bordering on your own, and then find that you slow down and begin to look for children as you approach your own home?

If there is any question in your mind about any of these statements, you had better do some serious thinking, before tragedy occurs at your home.

Take a look at these accidents:

Eight-year-old Clifford Chembri of Walnut Creek was injured early this week when he rode his bicycle out of a private driveway into the path of an automobile.

Last year in Pleasant Hill a young girl was killed as she walked by the side of the road on her way to school.

Recently the son of Orinda's Jack Buchter was killed while riding his bicycle on our "residential streets."

The Sheriff's Office reports and Highway Patrol sheets are full of notations like these, which are quoted directly, and at random from their files:

"Ran into street, hit by car going 15 miles per hour. Four foot hedge obstructing view of driver." "Ran into street between parked cars, struck by vehicle." "Tricycle in front of truck which was just starting into motion..."

So far this year, throughout the county, 16 youngsters between the ages of 0 and five years old have been injured while either walking or riding a tricycle or bicycle along the road. Seventeen between the ages of 6 and 14 have been injured.

Admittedly, this does not make pleasant reading, but it does require us to ask ourselves a very important question. What can WE do about it...?

1. We can educate our children. This has been said over and over again, and people take it for granted, but it can mean life or death in your own family.

Teach your children how to ride their bicycles and tricycles safely. If they are older, teach them to operate their vehicles in strict accordance with the traffic laws, and above all, to learn courtesy, a habit which might save their life now or later.

2. We can educate drivers... and that means ALL drivers... to be on the lookout for children, especially when driving in our residential areas.

Residents of Newell Avenue in Walnut Creek have long complained because their street is often used as a speedway, and it twists and turns as it winds past beautiful homes... many of which have several young children playing in the yard.

But by educating drivers to obey the laws, not only of the county or city, but the laws of common sense, we do not mean the OTHER driver. We mean all of us who drive.

It is human nature to become careless when doing something that has long become habit... like driving to the neighborhood store for a quart of milk, or to the bus depot in the morning. But carelessness breeds accidents, and accidents take lives.

3. We can take a careful look around our homes and streets and ask ourselves if there isn't something we can do to make things a little safer. Does your hedge obstruct your view of the street as you come down the driveway?

And more important, does it obstruct the view of a 5-year-old on a tricycle... providing he has been told how important it is to look before going near the street?

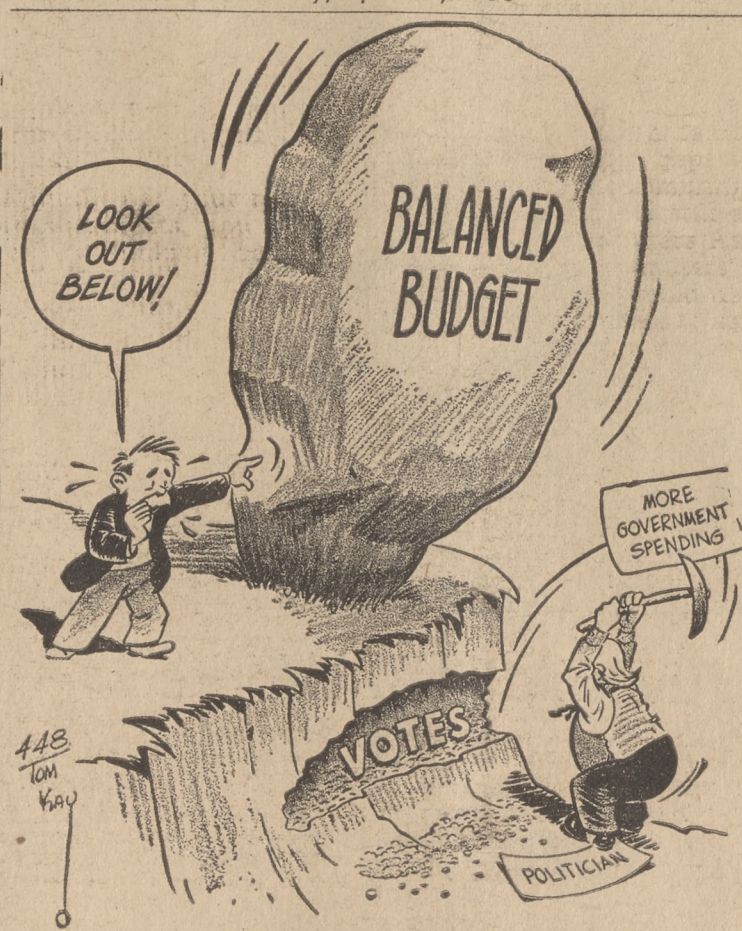

And most important, does it obstruct the view of a driver approaching your driveway? Remember, a driver can't be blamed if a child darts in front of his car from behind a hedge, and he can't see the child coming.

And it might be YOUR child!

### What They Say

## Flower Fans Greet Spring

Spring is traditionally the season for boys and girls, birds and bees. But other things bloom in the spring than love... namely, flowers.

This week the roving reporter sniffed the fragrant breeze and asked some local people this question, "How's your garden coming along these days?" If you're not a gardener, why not? Here are some of the off-the-cuff answers he got:

Mrs. Charles M. Stutfield, of 23 Claremont Avenue, Orinda: "Our garden is coming along very well. In it we have roses and a variety of trees, apple, and apricot trees. We're just beginning to prune them now."

MRS. KARL PAULING, of 3650 Happy Valley Road, Lafayette, found that the pleasant spring weather was distracting her from her garden. She told us, "How's your garden coming along these days?" "My garden is coming along fair but needs attention. The weather has been fine lately and I've directed most of my attention to golf, so my garden has been neglected."

Some of the local gardeners have discovered that their spring gardens are getting a rather erratic beginning. Mrs. Thomas J. Moran Jr., of 3284 Walnut Lane, Lafayette, made this comment: "Oh, it's getting along. We're just starting to get the spring plants ready. We were very happy last winter with a big tulip display, but other than that, the garden is really pretty poor."

ON THE OTHER HAND, some of the garden enthusiasts have launched their flower beds with all the zest of the warm spring weather.

Mrs. William R. Schirmer, of 8 Honey Hill Road, Orinda, told us, "We're garden enthusiasts. We

planted 18 junipers just last week before the rain. We also grow primroses, azaleas, and daffodils. Our camellias are gone now, but we still have some real color in front of the house."

"We have put in about three or four days in the garden so far, and are trying to pull weeds almost every day now," said Mrs. Ira Anderson of 3036 Vessing Road, Walnut Creek.

Zinnias and Petunias have been planted, but there is plenty of room for more.

MRS. M. E. Perry of 219 Babette Court, Pleasant Hill, is "fixing things up" in the garden, but so far not too much accomplished. Her biggest job comes later, after her husband does the heavy work.

"He gets it in shape, and then tells me to keep it up," she signed.

Mrs. H. B. Wenzel of 2370 Tice Valley Boulevard, hasn't done much gardening recently, though when Mr. Wenzel was living, such activities were strong.

One of her favorite blooms is the Chrysanthemum.

MRS. JOHN Cotterchie of 1568 Terry Way, Pleasant Hill, has the system.

"I just get my husband working at it, and then I just relax by the swimming pool."

The Cotterchie's are still enjoying the novelty of private waters on their own property. But later, they will probably tackle the weed problem.

## Letters to The Editor

MORE ON TRANSIT

Dear Editor: This is in reply to Charlie Offen's letter regarding rapid transit which appeared in the April 20 issue of The Sun.

Mr. Offen apparently has not tried driving into Oakland or San Francisco during the rush hours of 7-8 a.m. or returning between 5-6 p.m. Those of us who commute daily are looking for rapid transit that is not geared to the traffic jams on today's highways.

THE ONLY FORM of public transit in this area is the Greyhound bus.

As noted in the article referred to in Mr. Offen's letter, the Pacific Greyhound's commute service passenger load has increased and continues to increase here in Contra Costa County, as evidenced by the continual struggle to get sufficient seats for all who wish to avail themselves of this service.

AS TO THE TYPE of vehicle used for the proposed rapid transit, it will be the latest word in mass transit equipment.

The rubber tired "train" which has been suggested is still on the drawing boards.

It might also be pointed out that the first monorail system to be used in this country is now under test in Houston, Tex. The latter is still a possibility and will no doubt be considered if and when the "Bay Area Rapid Transit Authority" is set up.

PLANNING COURSE

Dear Editor:

I have been informed by several sources, including members of the Women's Planning Council, that rumors are being circulated to the effect that the University of California planning course currently being given in Lafayette comprises chiefly realtors and contractors.

As I worked in liaison with the university in obtaining enrollment in both sessions of this course, I assume these rumors are intended to imply that I manipulated the attendance, to favor certain people.

On December 29, 1955, I sent an occupational breakdown of attendance to the university, as follows: Seven planning commissioners, five housewives, in the first course three realtors, three contractors, three title company employees, one architect, one architectural designer, one carpenter, one medical doctor, one naval officer, one farmer, one engineering professor, one public relations manager, one engineer, one research chemist, one vice-president, Contractors' Association; one secretary, Contractor's Association; one business manager, one tax analyst, one employee relations, federal; one Federal employee one railroad employee, one steel company superintendent.

This makes a total enrollment of 45.

The course being given at this time has an enrollment of 45, including four realtors, one contractor and one land appraiser.

The motives impelling these rumors in respect to a sorely needed, objective source of planning education defies any analysis of mine.

It is my opinion that any taxpayer homeowner, regardless of his business, is a contributor to his community.

In conclusion, I would like to correct another rumor using me as the subject:

I resigned my directorship in the Woman's Planning Council on April 15, 1955, by a letter directed to Mrs. Mitchell Farrar, chairman, with a carbon mailed to Mrs. Frank Young, then secretary. I have never since paid any dues to the organization. My leaving was entirely voluntary.

## Under The Sun

By Herman Silverman

### The woes of commuting

Commuting is getting rougher and rougher. Now — to Mr. Commuter and his patient wife, this is a very obvious statement. This I grant, but it is as good an introduction as I can think of. So, let's talk about the commuting problem and what can be done about it.

In the Letters-to-the-editor department next door, you'll find a reliable report on commuting headaches, John McKirahan, former president and still active member of the Contra Costa County Commuters Association, reports to The Sun now and then on commuters' woes. (Incidentally, we'd appreciate it if you would do the same. Just scribble a few notes and send them to us.)

Rap, rap — let this meeting come to order. What can we do to help ease the ever-growing commuting jam? Let's first consider steps that can be taken NOW.

### Next time try a helicopter

Obviously, there are too many cars on the road. I could suggest trying the train or commuting by helicopter. But I won't. The Commuters Association and The Sun, however, have long suggested that more people organize ride pools or ride Greyhound. This is an answer. Have you tried either?

Another suggestion made by several friends is that courtesy on the road be stressed. Our commuting highways are difficult — without making them testing grounds for speed demons, road weavers or daredevil drivers.

The perfect example of lack of courtesy and good sense can be seen daily at the Orinda over-pass, where Mt. Diablo Boulevard widens to six lanes for a short distance. There you see the rules of courtesy and good driving broken by fellows who will gain 30 or 40 seconds at the most.

### Let's beat the drums

Let's now consider long-term solutions. The most obvious and feasible are new freeways. Last night I talked to Elliot Hartman, president of the iDabla Highway Federation, which has accomplished so much in getting state appropriations for our highway needs.

I suggested that we all should start beating the drums to assure this area of the biggest chunk of state money for the next fiscal year. Richmond area received it last year; it is our turn now. I asked when the State Highway Commission would hold its hearings.

Elliot said it would be in August or September and the Federation planned to appear before the Commission. It behooves all chambers of commerce, public officials, and community organizations to cooperate with the Federation in seeking the lion's share of the funds for Central Contra Costa County.

Highway officials must be impressed with the immediate need for construction of both legs of the Walnut Creek By-pass, the link between the Acaalans inter-change and the Walnut Creek By-pass, and the freeway between Lafayette and Orinda. Nor can we forget the additional bores at the Broadway Tunnel and the Shepherd Canyon Freeway.

### You take the high road...

Elliot and I proceeded to discuss the need for backroads and links between and within our communities. If people could drive local roads from one neighborhood to the other, they would free our main arterials of a lot of traffic. The Federation has been working on this with county road officials for some years. And The Sun has campaigned along with them. The major problem, of course, is money. We must impress our supervisors with the urgency of allocating as much money as possible for these backroads in the coming budget.

The ultimate solution is rapid transit. The Bay Area now has a superb plan. Costly, true, but it will cost more if we don't buy it. This county and residents have expressed themselves in favor of the plan. It should be started at the very earliest moment.

Well — this has been a lengthy discourse, so I'll climb off the soap box for another week.

## Letters to The Editor

Dear Editor:

I attended a meeting in Fair Oaks School Thursday evening, April 19. This meeting was called for by representatives of a manufacturing firm who are attempting to move their present plant from, I believe, Emeryville.

They have selected a location facing Mayhew Way and beautiful new residential Mayhew Park here in Pleasant Hill.

It seems to me that everybody in favor of this industrial plant being brought here was not a resident of this neighborhood. Consequently, we who live on Mayhew Way as well as Hookston Road were heavily outnumbered.

People in this neighborhood are very much opposed to any factories facing our residence as well as the planned increased trucking traffic. This alone becomes a serious problem when you consider small children walking along the road to and from school.

Since this plant is to operate on a 24-hour shift, we will have considerable noise, to contend with.

I, THEREFORE, as well as my neighbors, am strongly opposed to any additional manufacturing or other industrial plant at the proposed site.

Perhaps we are in need of some new and younger management in our county government. I am in hopes that if this letter is printed in your paper, it may have a bearing and impression that will assist us in maintaining our neighborhood an agricultural residential place to live in, in peace and quiet.

A. F. Kahnberg  
Pleasant Hill, PS:

I would like you to see that your paper be delivered to all residents of Mayhew and Hookston tracts with a request that these people voice their opinions and objections to the Hook property being made into a factory zoning.

I do not believe that we should be burdened with smog and whatever else goes with such ventures. AFK

BATTLE PAGE Dear Editor: Congratulations upon setting up the Battle Page for the coming campaigns, and primary and general elections in November.

Allow me to add some thoughts on Gov. Adlai Stevenson's proposal to ban the coming thermonuclear tests. Peace or war is the No. 1 issue in the world today. This proposal will not weaken our position in the arms build-up. The old idea that we can outlast our enemy in modern war is now outmoded, and it has been for five years, since the Soviets first tested their super weapons.

It would be a Pyrrhic victory at best for any possible victory should there be a major war in our time.

2. This proposal will gain for us the moral leadership which the world is looking to a major nation to grasp and hold.

3. Should the other major powers not follow suit, we can easily resume our tests.

4. This example, however, is likely to force the other major powers, holding the secrets of the H-bomb to hold off on future tests, and real disarmament proposals can follow such action.

5. We must continue to support and uphold the United Nations, and with our clear leadership regained through such an imaginative move, real peace may come to our planet in our time and generation.

### Dinner Parties Toast Preview Of Home Show

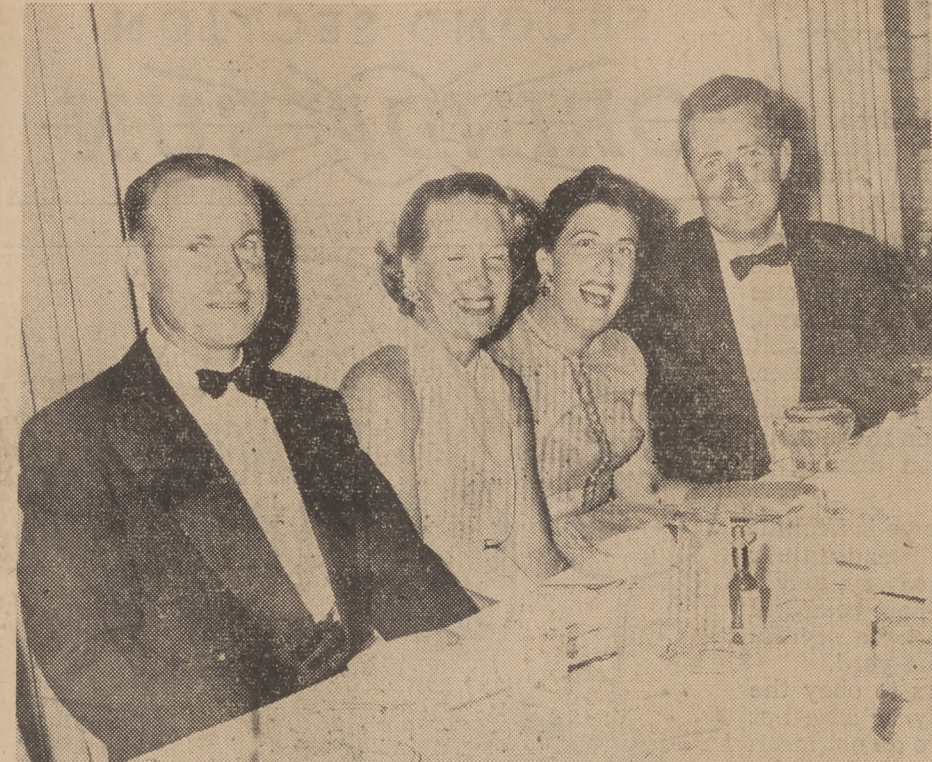

Preview night of California International Home and Garden Show last Friday night was a gay and colorful event.

Held at the Oakland Exposition Building, the show attracted members and friends of the Junior Guild of Providence Hospital, Children's Home Society and Booth Memorial Hospital.

Many cocktail and dinner parties were given preceding the opening. At the Orinda Country Club Dr. and Mrs. Kendall Caldwell, Mr. and Mrs. Louis Pekete and the Terry Huffs, all of Lafayette, dined together.

At another table were Messrs. and Mesdames George Maxon, Timothy Windles of Orinda, Dell Fagers of Danville and Walter Simms of Walnut Creek.

A late supper party was held at the home of Mr. and Mrs. John D. Rarig of Lafayette.

### Juvenile Hall Workers Hear of Staff Problems

"What are the aims of the staff of Juvenile Hall?" These and other questions were answered and discussed April 17, at a special meeting at Juvenile Hall of the Juvenile Hall Auxiliary of officers and committee chairmen.

Three key members of the staff of the Hall attempted to summarize the problems, the program and the results of an enlightened approach to one of the youth problem centers of the community.

Headed by Donald Morrison, new superintendent of Juvenile Hall, the speakers included Mrs. Alice Owsley and Miss May Buwalda.

Morrison stated that satisfactory physical care and training in cultural expectations are basic aims of the Hall staff. He added that the children at the Hall are filled with anxiety to them the fact that they are confined and unable to do anything about their problems signifies one or more of three things—failure, rejection or punishment. A central Juvenile index has been installed in the county Sheriff's office, Mr. Morrison continued, to enable officers to screen the children more carefully before they are admitted to Juvenile Hall.

**CHILDREN WHOSE PROBLEMS** are minor are returned to their homes rather than being admitted to the Hall. Among the problems with which the staff must deal, said Mr. Morrison, is that many of the youngsters are cultural misfits, mentally deficient or psychotic and must be handled with skill and understanding.

The Probation Department is available to everyone, he mentioned, and the social workers are anxious to help families before their problems become insurmountable. Of the 1695 wards of the Juvenile Court in March, 1956, added Mr. Morrison, 365 were placed in foster homes, 50 in private institutions, 80 sent to the Youth Authority and 1,238 returned to their own homes under professional supervision.

Mrs. Alice Owsley, discussing the Hall's responsibilities to the children, gave four important duties: (1) a complete medical examination; (2) a dependable routine (the lack of consistency in the home has been one of the great causes of children's difficulties); (3) control — so they will not hurt others or themselves.

### 'Showers,' Flowers at Country Club

"April Showers" brought may-flowers to the Orinda Country Club Saturday night for the club's annual spring formal dinner dance.

In keeping with the theme, large green umbrellas, dripping raindrops and pink blossoms were the focal point of the decor. Pink daisies decorated the tables, and surrounding the room were sprays of peach blossoms creating a delightful atmosphere for white dinner coats and summer evening dresses.

Members hosting cocktail parties preceding the dance included Messrs. and Mesdames John J. Reilly Jr. of Orinda, T. J. Connollys of Orinda, Arthur Bliesners of Walnut Creek, Hugh MacIntyre of Orinda and the G. F. Wilks of Lafayette.

With summer weather not too far away, the club is now making plans for the first of a series of barbecues to be given at the pool.

### Oils on Display

An exhibit of oils by Hiram Meulendyke of Walnut Creek may be seen currently on Broadway at the Contra Costa Stationers Gallery until April 30.

Meulendyke served as president of the Diablo Art Association in 1952-53, and, since then has been zealously engaged in the association's many activities. He also taught a class in art at the Alameda High School evening division in the spring of 1954.

## 'Oriental Holiday' May 8 to Miss Nodder, Models Named For Diablo Jrs. 'Flight' Show

Quaint and traditional Japanese New Year decorations will high-light the Walnut Branch's "Oriental Holiday" Festival of Flow-ers and Fashions in the Howard Gardens in Walnut Creek, May 8, for the benefit of the Children's Hospital of the East Bay.

Placed before the doors of shops and homes in Japan, a bouquet-like combination to be used is intended as a prayer and a wish for the new season.

It includes three bamboo shoots, which grow straight and are regarded as portraying rapid growth, pine boughs which indicate strength, health and longevity and white cherry blossoms as the symbol of purity, according to Mrs. Edward C. Counter, Jr., directing table preparations. Assisting Mrs. Counter are Mesdames A. B. Camp, Joseph E. Clifford, John L. Cooley, Edward C. Counter, Jr., Carlton Hawes, Roy Heffner, John Irving, Allen G. Jones, Louis Kamp, Alois Kremser, Frank L. Maker, Clarence E. Peters, Eva Stewart, Fred B. Taylor, George E. Van Voorhis and Harold Wiloughby.

### Garden Clubbers To Be Tourists

Members of the Orinda Garden Club are scheduled to go on a touring spree next Thursday.

Traveling both by private cars and a chartered bus, they will proceed to Mill Valley to view the private gardens of Samuel Newsom, Scandinavian artist. Following luncheon, the tourists will visit Newsom's shop, "Green Tree," where Newsom develops Japanese dwarf trees. Newsom is to act as guide and will describe his unusual gardening process.

Engaged to be married are Miss Jane Carol Nodder of 2030 Strand Road, Walnut Creek, and James Klick of 2471 Overlook Drive, Walnut Creek. Both are graduates of Acalanes High School.

The revelation was on April 16, when Miss Nodder passed the traditional box of candy in her Alpha Omicron Pi sorority house, at the University of California. She will graduate in June.

She is a member of the Linden branch of the Children's Hospital, and the Speech Arts Club.

Her parents are Mr. and Mrs. William R. Nodder of Strand Road, and her grandparents are Mr. and Mrs. W. D. Nodder, and Mrs. G. G. Cathcart of Oakland.

Mr. Klick completed military service last year, and is attending East Contra Costa Junior College.

He is the son of Mrs. Ida Catherine Klick of Overlook Drive, and the late Martin Klick.

PLANNING THE Albany High School Reunion are from left to right, Mrs. Ted Kammerer, Mrs. Thomas A. Gore, Mrs. Harry M. Allendorph, Mrs. Victor Myers and Mrs. Ben Henas. The Class reunion of 1938-39 will be in Orinda. Graduates of those years should call Mrs. Allendorph at YE 4-7144. All of the ladies pictured are from Pleasant Hill.

## Women Hold Fashion Show Alumnae Group Of Girls' State Will Hold Tea Towhee Has Party Plans

"Sailing into Summer" is the theme of the East Bay Alumnae of Alpha Omicron Pi annual spring luncheon and fashion show, held this year at the new Sail Boat House at Lake Merritt on May 2.

Among the local women participating as fashion models are Mrs. Wallace W. Greenlaw, Orinda, chairman of models; Mrs. J. W. Martin, Orinda; Mrs. Henry A. Steinbach, Lafayette; Mrs. Walker McKevitt Jr., Walnut Creek; Mrs. William H. McInerney, Lafayette; Mrs. James A. McCormick, Lafayette.

Commentator will be Mrs. Calvin Duncan of Orinda, with Mrs. Dennis Mahoney at the piano during the show.

Luncheon will be served at 12:30 p.m. Reservations may be made by calling Mrs. Allen C. Duveneck at Olympic 2-8112.

### Figures Shine In Fashion Show

The Orinda Country Club was the scene of the spring luncheon and fashion show of the San Rafael Military Academy Mothers Club last Wednesday.

Miss Mary Dorr of Orinda was commentator of the make-believe world tour of fashions and jewels. The show included \$2 million worth of "trinkets" and a bathing suit valued at four figures, modeled by a figure of equal value.

Mrs. Katherine Walsh Rollier of Alameda was general chairman, assisted by Mrs. Uriel Smith of Orinda. Models were East Bay mothers and former cadets of the Academy.

The girls' State Alumnae of the 9th District of the American Legion Auxiliary will hold a tea tomorrow at Veterans Memorial Building, Lafayette, at 2 p.m.

This is an annual affair, with girls from the whole district attending, according to Mrs. Ouida Buckley, chairman for the district.

New "citizen" for Girls' State this year is Marilyn Engelhard of 28 Robert Road, Orinda. She is a junior at Acalanes High School, a class officer and very active in modern dance and sports.

She is sponsored by American Legion Auxiliary Unit 517 of Lafayette. Marilyn will go to Sacramento in June to attend a conference at which boys and girls from the whole state will attend. The Girls' State chairman for Lafayette Unit is Mrs. Harriet Kitteridge.

### Mrs. Ligon Will Head Larks Unit

The Larks auxiliary of the Mt. Diablo Therapy Center has announced its officers for the coming year.

Mrs. Ralph Ligon, who has served as chairman of many committees, is the new president. Other officers are Mrs. R. W. Underhill, vice-president; Mrs. Marie Cammissa, secretary; Mrs. Grant Powell, treasurer; and Mrs. D. H. Fibush and Mrs. Edward Burger, board members.

The new officers will be installed at the May meeting, to be held at the home of Mrs. Shirley Marchant.

Working on a new project are Mt. Diablo Therapy Center Towhee members who will hold a luncheon, bridge and swimming party, September 13, at the home of Mrs. Frank Cashin.

Mrs. Philip Knox Jr., said the party will be headed by Mrs. Robert Wisecarver and the following committee chairman: Mrs. Charles Rodier, decorations; Mrs. Edward Wanous, luncheon menu; Mrs. Alan Scott, arrangements; and Mrs. Samuel Bradbard, tickets.

Mrs. William Phelan, Jr., will be general chairman of Towhee's annual Christmas tea to be held at Diablo Country Club, November 27.

### Children Benefit From Barn Dance

Fifty people stomped and hollered last Saturday night in Orinda for the benefit of the Children's Hospital of the East Bay.

The event was a barn dance, given by the Cottonwood Branch of the hospital, at the home of Mrs. R. E. Singer, 33 Honey Hill Road, Orinda.

Adding to the flavor of the benefit dance were box lunches brought by the guests, and square dances between snacks. Assisting Mrs. Singer in the preparations were Mrs. Michael Ferrone and Mrs. Norman Smith.

## Brown-Wright Are Married

A single ring, candlelight ceremony read by Dr. Gray in the Little Chapel of the Church of the Wayfarer in Carmel Saturday, joined in holy matrimony Miss Patti Brown of Pleasant Hill and Paul Wright of Oakland. Bouquets of spring flowers decorated the chapel.

The bride, daughter of Mr. and Mrs. E. H. Brown of Oak Park Boulevard, wore a white organza ballerina length dress with white accessories. For the traditional 'something old' the bride carried a small white Bible covered with baby white orchids and orange blossoms, and was escorted to the altar by her father.

Miss Caroline Perro of Pleasant Hill was maid of honor. She wore a blue print rayon linen dress with white accessories, and carried a bouquet of white carnations.

Robert Carlisle of Lafayette served as best man.

The bride's mother, Mrs. Brown, chose a pink linen sheath dress with pink duster, white accessories and a brown orchid corsage.

The bridegroom's mother, Mrs. Charles Wright, wore a white embroidered organza over black street length dress and white accessories, with a purple orchid corsage.

Following the ceremony, a wedding dinner was held at Sade's in Carmel. The newlyweds will make their home in Oakland.

The bride graduated from Pleasant Hill Elementary School; a June '55 graduate of Pleasant Hill High School, attended the East Contra Costa Junior College, and is employed with an insurance company in the Bay Area.

The benedict attended Fremont High, and Acalanes High School, and is with the Pacific Telephone and Telegraph Company in Walnut Creek.

Sunday, 2 to 4 p.m., the bridegroom's parents, Mr. and Mrs. Charles Wright of Oakland, will hold a reception in honor of the newlyweds. In addition to the families of the young couple, friends and former classmates are expected to attend.

### Officers To Be Seated May 8

May 8 will be the date of the installation of officers of Xi Delta Tau chapter of Beta Sigma Phi.

It will be a dinner meeting for husbands and wives at Dany Van Allen's in Lafayette. Guests for the evening will be prospective new members and their husbands, Ann Jolly and Glendene Blackburn.

New officers being seated will be Zelma Hamlin, president; Kay Davidson, vice president; Virginia Schless, recording secretary; Betty Pleau, corresponding secretary, and Opal Kigore, treasurer.

## Miss Barrett Is Engaged

Miss Irene Barrett of 2451 Newell Avenue, Walnut Creek, is betrothed to Jack H. Conway of Hayward.

Announcement was made at the home of her parents, Mr. and Mrs. Lloyd A. Barrett, in a recent informal party.

The couple, both employed with an insurance company in Berkeley, will be married late in September.

Miss Barrett graduated from Acalanes High School in 1953. She was a member of the Ski Club.

# Rams Place 2nd in Three-Way Track Meet

## Ram Thinclads Drop Two Tilts To San Ramon

Winning only five out of 11 first places in the varsity division, Pleasant Hill trackmen wound up second best in a triangular meet with San Ramon and Amador at Danville Friday. San Ramon took the meet with 78 points, while Pleasant Hill received 55 and Amador 7.

Three of the five Ram firsts went to Jim McMillin in the high hurdles, low hurdles and broad jump. Wes Malloy won the mile in 4:54.9, while Chuck Crane tied San Ramon for first in the pole vault. The winning effort was 11' which is maximum for the San Ramon bar.

Receiving seconds for Pleasant Hill were Mike Foshaug, in the 100 and 220, Phil Rupprecht in the 440, and Paul Opler in the 880.

After posting their best time of the season (1:36) the Rams lost the 880 relay to San Ramon by two tenths of a second.

The tightest squeeze of the meet went to Bob Cabral, who heaved the disc 107'5" to finish third. San Ramon took second with 107'6".

Other places taken by Pleasant Hill were: 100—third, Luxemburg, Mile—third, Lockwood; fourth, Scott, Shot Put—third, Rice, High Jump—third, March (three-way tie). San Ramon also won in B competition with 67 points. Pleasant Hill, with 49½ points, was second while Amador again finished last with 22½.

Highlight of the meet was the school record (48.3) for the 440 B relay, set by Lee Brown, John Pratt, Jerry Warner and Rudy Omania.

Joe Santoro, Jerry Warner and John Pratt accounted for other Ram wins in the high hurdles, and shot put respectively.

## Don Tennis Team Downs Antioch

Antioch won the first singles tennis match with Acalanes when Ron Silveira defeated John Hall 6-1, 6-3, but that's as far as they got, with the Dons sweeping the rest of the play.

The matches, played at Acalanes April 19, found the rest of the singles matches going as follows:

Len Saputo (A) defeated Vic La Gross (Ant.), 4-6, 6-0, 6-4. Bob Steuben (A) defeated Wayne Westbrook (Ant.) 6-1, 6-1. Bill Deubner (A) defeated Bill Moore (Ant.) 6-2, 6-2.

Dong Krotz (A) defeated Jerry Anderson (Ant.) 6-1, 2-0. In the doubles, Saputo and Steuben (A) teamed up to defeat Silveira and La Gross (Ant.), 6-0, 6-2, while Krotz and Deubner (A) posted a 6-4, 6-3 win over Moore and Anderson of Antioch.

The win kept the Dons the only undefeated team in league play.

## Dons Defeat Pacifica, 7-0

The Acalanes baseball team had a good day April 17 when it racked up a 7-0 shutout over Pacifica for the Dons' second win in league play.

The game, played at the Acalanes field, found Steve Jordan, big right-handed sophomore, and diminutive senior pitcher Mike Barrett sharing hurling honors for the Dons, combining their efforts to throw a no-hit, no-run game. Jordan went the first three frames, with Bob Frederickson catching, while Dave Bojarsky did the receiving for Barrett in the final four frames.

Jordan gave up a walk in the first inning, while Barrett gave up a pass in the sixth.

Centerfielder Lewis was the only other Pacifica player to reach first when a slow ground ball was booted by the Dons' third baseman, Richard Markstein, in the third inning.

The Dons used two hits and a walk to score a pair of runs in the second frame.

IT CAME ABOUT when leadoff hitter rightfielder Gordon Napolitano singled to left, and it put two on when shortstop Steve Sparling walked.

Napolitano went to third and Sparling to second on a passed ball, which set the stage, as pitcher Steve Jordan rapped a drive to rightfield, scoring both of them.

The Dons added another pair of runs in the third, one in the fourth and two more in the fifth, to nail down a comfortable 7-0 win.

IN THE HIT COLUMN, Bojarsky, with a single and double in three times at bat; Napolitano, with a pair of singles in three tries, and Richard Markstein, with two singles in three trips, along with Ronnie Nelson, who had one for two—and that a triple—paced the Dons' 9-hit attack.

Eight Dons went down on strikeouts, while Jordan whiffed five in three innings of work, and Barrett set down eight on three strikes, getting three of them in the final frame, when he threw nine times for a perfect defensive mark.

In errors, it was Pacifica, 2 to 1.

## Dons Whiff Knights by 5-0 Score

The Acalanes Dons and Las Lomas Knights crossed bats in a league game at Acalanes Field Tuesday afternoon, and while the Dons barely outthrew the visitors 5-4, they were out in front in the run column, 5-0.

The game, makeup of a rained-out contest, found the Dons in hot water in the first frame when starting pitcher Steve Jordan, with two down and two on, was replaced by Mike Barrett after the count was 2 and 0 in the batter, first baseman Bob Duchen.

Barrett brought the count to 3-2, then issued a walk, only to get out of the bases-loaded situation when he struck out the next would-be hitter, third baseman Terry Yeager.

FROM THERE ON in, Barrett had the situation well in hand. Dick Stanley, who went the route for the Knights, gave up but five safeties with third baseman Richard Markstein getting three for three—single to left center in the third frame put the Dons in the scoring column with 2 runs when Catcher Dave Bojarsky, on via a single, and Mike Barrett, on by an error, scored on the blow.

THE DONS made it 4-0 in the fourth inning when Left Fielder Sutton singled and Second Baseman Ron Nelson reached first on a catcher's interference, with Sutton going to second to set the stage for a squeeze bunt by Pitcher Mike Barrett.

Sutton scored on the bunt, and Barrett was safe, with Nelson tallying as Pitcher Dick Stanley threw wild to first.

Run number 5 came in the 6th when Shortstop Gary Hansen walked, stole second and scored on Barrett's single to right field.

In the strikeout column, Jordan had one and Barrett 10, with Jordan yielding one base on balls and Barrett one.

Stanley whiffed six and walked one.

The Dons had no errors afield, while Las Lomas had one.

The Acalanes Dons, under the direction of Coaches Charles Eaton and Bob Lord, won both divisions of a four-way track meet at Acalanes April 18.

The meet, involving Acalanes, Alameda, Antioch and Miramonte, found the Dons thumping the varsity division with 68½ points, while Alameda had 43 and Antioch showed with 28½. Miramonte, with only freshmen, failed to place.

IN THE BEES, it was Acalanes 78½, Alameda 26 and one-tenth, Antioch 24 and seven-tenths and Miramonte 11 and one-tenth.

Butch De Villers was a top point-getter for the Dons varsity as he topped the 100-yard dash, with the clocks stopping at 10.3, and was a repeat winner in the broad jump, with a leap of 21' 1¾".

Don Larry Pilcher breasted the tape in the 440 with a good time of 50.8.

DENNIS MEYERS was a 2:05.4 in the half-mile, Ed Gathings with a 5'8" leap in the high jump and John Cadwell with a 46'5" heave of the iron ball were other first place winners.

In the Bee meet, Miramonte's ace, Dixon Farmer, stole the limelight when he toured the 300-yard runs in a new stadium record time of 37.4, then took the high jump with the bar at 5'11¼" for his final clearing jump.

For the Don Bees, Stu Fox topped the school record in the 70 yard highs with a 9.4 time and then took the 120 lows in 14.5.

Leroy Schmitt with 50½" in the 8-pound shot, Dave Bojarsky with a 19' 8½" broad jump, Mike Wood with a 1:32.3 in the 660, Buck Hall with a 3:33.4 in the 1200 and Lou Marelli with a 1:10 foot toss in the discus were other Acalanes first place winners.

BRACE FLUID Here's a good habit to get into: when you have your car lubricated each 1,000 miles, have the service man check the brake fluid level. It only takes a minute and it's one of the most important service points to have checked regularly.

## Swim Contests Will Highlight Full Sports Week

It's another full week of play for the Diablo Valley Athletic League, with swimming taking the spotlight as the lads hold trials and finals for the league championship.

Today, Pleasant Hill gymnasts meet Richmond High tonight in a 7 p.m. meet at Diablo High.

Swimming division trials take place at Las Lomas, with a 3:30 p.m. starting time.

Acalanes golfers play Piedmont in what should be a close match at Tilden. Starting time: 3:30 p.m.

Tomorrow—Swim division finals at Los Lomas. Tab the Dons to win the varsity division, while Diablo takes the Bees.

In track, Acalanes and Los Lomas to be represented at the Stockton High Relays.

Monday—Acalanes golfers play San Ramon at Diablo Country Club; 4 p.m. starting time.

At the same time the Pleasant Hill divot diggers play Pittsburg at Pittsburg's course.

Tuesday—Big day for league ball. Pleasant Hill to upset Los Lomas at Walnut Creek; Pittsburg to rack Pacifica at Pittsburg, while Diablo trims Antioch at Concord.

Acalanes draws the bye. Starting time for all games: 4 p.m.

Wednesday—San Ramon and Los Lomas in a close track meet at Danville, 3:30 p.m.

Acalanes swimmers are favored in a 3 p.m. meet at Palo Alto.

Thursday—Another round of ball with Pacifica to lose at Antioch, Pittsburg and Acalanes in a toss-up at Acalanes, and Diablo favored over Los Lomas at Concord.

Pleasant Hill draws the bye. All games at 4 p.m.

Next Friday—Acalanes is favored in a 3:30 p.m. track meet with Los Lomas and Pleasant Hill.

Saturday, May 5—Pleasant Hill in Bay Section B Class gymnastics championships, to be held at Diablo.

The swimmers take to the Diablo pool for the finals of the County Meet, starting at 9 a.m.

It's the Dons in the varsity, and Diablo in the Bees.

## Don Mermen Win Three-Way Meet

In a three way swim meet at the University of California pool April 18, the Acalanes Don paddlers wound up in a 36-36 tie with the Arden Club of Sacramento, while the Cal frosh came in a poor third with an even dozen points.

First places were won by the Dons' frosh Ace, Corky Kiesel, who topped the field in the 50-yard free style with a :24 flat race.

George Harrison splashed his way to wins in the butterfly event (1:03.3) and the 150-yard individual medley with a 1:31.8.

The Acalanes 200-yard freestyle relay team, consisting of Morgan Jellett, Nick Rath, Bill Freeman and Ed Klass, won in 1:43.6.

## Dons Edge Antioch 2-1

The Acalanes baseball team went behind 1-0 in their game at Acalanes with the Antioch Panthers April 19, but finally came through with a 2-1 win in a "closerie" all the way.

The Panthers took their lead in the opening frame after Rich Markstein booted a blow from the leadoff batter, Shortstop Randy Antention, down the third base line.

Seconds later, with one away and Bob West, leftfielder, at bat, Autentiev scored on Wert's singled to right field.

It Was Antioch 1-0, and that's the way it stayed until the bottom of the fifth, when lead off hitter Catcher Dave Bojarsky singled, went to second on a pass ball and scrambled home on Markstein's single to left center.

Markstein stole second, went to third on a pass ball and came home on a squeeze play when right fielder Don Babcock laid down a perfect bunt, to score what proved to be the running run.

Antioch had a big moment in the seventh when leadoff batter Bob Schutte was on via an error by Shortstop Gary Hansen, but it was a short lived moment of joy for the Panthers, or Pitcher Mike Barrett picked him off first, struck out the next batter and wound up the game when Antention flew out to center field, out number 3, to end the game with Acalanes, out in front 2-1.

Steve Jordan worked the first three innings for the Dons, giving up one run on three hits and no walks, while Barrett went the final four frames, giving up one safe blow and no walks.

For Antioch, Bob Edwards while giving up one walk. The two runs, on five hits and no walks in the final two innings, hurried the first four frames, giving up four hits and no runs, came off Ray Schutte, who replaced Edwards.

The Panthers had three errors to none for the Dons.

In the hit column top strikers for the Dons were Catcher Dave Bojarsky, who had a pair of singles in three times at bat, and second baseman Richard Markstein, who had two for two, both singles.

Devil hurler Rod Atnip was credited with the win, while Al Locatelli took the loss for Pleasant Hill.

## Dons Outsplash Tam Swimmers

Last Friday was a big day at the Acalanes pool when the undefeated Tamapal varsity came to town to meet the Acalanes paddlers.

The Dons, with some terrific come-through performances, put the up to then undefeated Tam swimmers in the once defeated class when they outscored the Marin County team, 44-33.

The Don win broke a 19-consecutive dual meet win record. Tam did gain some consolation by edging the Don Bees 35-32.

George Harrison, Don ace, racked up two firsts as he won the 100-yard breast stroke in 1:05.1 and then outswam the field in the 150-yard individual medley with a 1:35.1 race.

Other firsts for Acalanes were taken by Val Geissler with a 100-yard backstroke time of 1:06.8, Corky Kiesel in the 50-yard freestyle with 24.6 and Bill Freeman in the 200-yard freestyle with a time of 2:13.6.

In the 200-yard free-style relay, Geissler, Freeman, Kiesel and Ed Klass pooled their efforts to cop the event with a 1:39.8 time.

## Rams Dumped 4-2 by Devils

MIKE FARMER

Three homers marked the 4-2 defeat of Pleasant Hill in Concord April 19 as the league-leading Mt. Diablo Devils dimmed Ram championship hopes.

Diablo players Art Pargament and Steve Bardi accounted for two of the blasts, while one was hit by Jim McMillin of Pleasant Hill.

Scoring, for both teams, began in the first inning.

RAM LEADOFF man Tom Larscheid drew a walk and was later forced out at second on a fielder's choice to the infield by Walt Robb. Robb advanced a base as the Devils bobbled a second fielder's choice on Bill Nixon's groundball to third. The next batter, Leon Lewis, singled sharply through short to put Pleasant Hill in the lead 1-0.

Diablo duplicated the one run effort in their half of the first frame with the first batter, Sonny Cordes, drawing a walk. The runner moved to second on a single to right by Steve Bardi, and stole third. He scored on Pargament's accidental bunt. Pargament reached first safely on an error.

After retiring Pleasant Hill one-two-three, the Devils gained another run in the second frame.

First basemen Bob Bolcerek, who led off for Diablo, went down on a second to first combination that worked well for the Rams throughout the game. Second baseman Jerry Walsh drew a walk and stole two bases. An error at third put Devil pitcher Rod Atnip on first. Atnip was forced out at second on rightfielder Cordes' fielder's choice to third, which scored Walsh.

PARGAMENT'S homerun to left in the third accounted for the next Diablo marker.

The Devils appeared to be on their way to scoring two more runs in the fourth inning, as with two outs, centerfielder Rod Atnip hit a double into deep center. An intentional walk was given to Pargament.

The next batter, third baseman Verle Sidwell connected with a double, but looked like another home-run. Driven to deep left-center, the ball was taken by Jim McMillin in the most difficult catch yet of Ram outfielder so far this season.

TWO INNINGS later, in the top of the sixth, McMillin drove a fast curveball over centerfield for his second homer in league play.

The Devils followed with another homerun, by Bardi, in the bottom of the inning to end scoring for the game.

The Rams narrowly avoided having another run scored against them in a unique fifth-inning situation. Diablo's Lloyd Remma fanned for the first out of the inning. Catcher Dave Stafford walked and first baseman Bolcerek singled to move him to third.

Walsh followed with a groundball to shortstop Walt Robb, who threw Bolcerek out at second. Stafford, not knowing what play Robb would make, hesitated just long enough for second baseman Bill Nixon to throw the ball to catcher Leon Lewis.

LEWIS STIPPED on the plate seeking to force Stafford out. As the players began to leave the field, both coaches realized that since no one had been on second, the force rule was not in effect. Diablo Coach Carl Anacleto shouted for Stafford to run in, while Lyle Palmer, Ram coach, told Lewis to tag him.

Now covering third, and Robb tagged the runner to retire the side.

Devil hurler Rod Atnip was credited with the win, while Al Locatelli took the loss for Pleasant Hill.

## PHHS Gymnasts Hacked 102-58 By James Lick

MIKE FARMER

Pleasant Hill varsity gymnasts were swamped by James Lick 102-58 in San Jose Friday night.

Working minus one of their stalwarts Gilbert Jara, the Rams took six out of 11 first places. Five of these were awarded to Charlie Cox. Cox placed first in the doubles (with Tom LaFrance), rings, parallel bars, horizontal bars, and the all-around event.

The sixth first place went to Artie Day in tumbling.

One reason for the overwhelming score was the small number of Pleasant Hill team members participating in each event.

With a five win and two loss record behind them, the Rams meet Richmond tonight in the Diablo gym.

In the B Division Pleasant Hill fared better, outscoring James Lick 80½ to 77½ to remain undefeated in competition this season.

Receiving three first places for the Rams was Bob Williams, while two more were taken by Nevin and one apiece by Day and Cromwell of Pleasant Hill.

## Ram JayVees Drop Pacifica; Jordan Fans 15

Pleasant Hill High School's JV baseball team defeated Pacifica JV's 10-3 Wednesday as Ram hurler Dennis Jordan fanned 15 batters.

Led by George Adams with a double and a triple for four trips and Frank Osgood with a double and two singles, also in four trips, the Rams had field day at the place. Ray Dameral and Bill Dutton contributed doubles to the cause.

The Ram's season record now stands at two wins and one loss. The wins being over Las Lomas and Pacifica, while the loss was an 8-7 squeeze by Mt. Diablo in the season opener. The Rams expect to win a return game with Diablo in Concord on May 17.

## Audubon Group To See Film On Old Mexico

A monthly meeting of the Mt. Diablo Audubon Society will be held Thursday evening at 8 p.m. in Las Lomas High School, Walnut Creek.

Miss Joanne Taylor of Berkeley will speak on architecture of ancient Mexico. She will illustrate her talk with colored slides of the ruins she visited while attending summer school in Mexico City last year.

The Society will make a field trip May 6. The plan is to leave from the Walnut Creek city hall at 8 a.m. and travel to Danville, then turn left on Diablo Street, thus out through Tassajara to Beck Road and straight south through Livermore on the Mocho Road to the McCoy ranch.

Then on up the Mocho, stopping at interesting spots along the way. The Society has the permission of Dr. Harold Beaver to picnic and "bird" on his ranch at the eastern foot of Mt. Hamilton.

## New Rules Bolster Preps' Defense in Casaba Game

By ERWIN MATTSON

WORD HAS JUST BEEN RECEIVED that the National Prep Rules Committee has decided that high schools can use the 12-foot lane under the basket in the hoop game.

The colleges used the rule last year, and it is made optional with the preps this coming year.

The lane under the basket has been 6 feet, so it is just doubled.

Such usage tends to neutralize the tall player and prevents easy tip-ins.

In addition, the defensive team is given both inside spots in the defensive lineup on free throws, so it is quite evident that the rule makers are trying to bolster the defense and cut down to some extent on the free-wheeling, high-scoring games that have become the custom in recent years.

The new regulations were tried out in several sections last season and were put in the rule book after due observation and statistical study.

It remains to be seen what the local league will do. My guess is that there will be some opposition, as there always is when any change is involved, but that in a short time the 12-foot lane will be a regular part of the rules with the optional provision deleted.

## BASEBALL FOR KIDS

Walnut Creek has more than 400 players in action.

A number of Lafayette players were in the league but, due to demand, a move is under way to form a Lafayette League. A meeting will held Monday night at Lafayette School, and to date close to 200 have turned in entry slips, which were distributed through the grade schools.

The Lafayette Rotary has donated funds to construct a suitable diamond at Acalanes, where space has been made available, and current plans call for another field at Lafayette or Stanley School.

The kids are certainly interested, and if the adults can generate equal enthusiasm, it's bound to be a grand program.

## '56 'Crusade' Will Combine Contra Costa County Forces

A major reorganization of two large areas of the United Bay Area Crusade got approval last Friday, according to Edward Harding, telephone executive and president of the Crusade for West Contra Costa County.

A plan under which all of Contra Costa County will be organized into the same United Crusade, as a part of UBAC's five-county organization, has been ratified by the board of directors.

This would combine his organization with three others which have been operating in the county, Harding said.

"IT MEANS that the individual Crusades in Pittsburg and Antioch have joined the Bay Area campaign, and that the Central Contra Costa Crusade which now belongs to the East Bay United Crusade will be detached from Alameda County," he added.

Duncan Knudsen of Lafayette, an Oakland insurance man has been a leader in the coalition effort, Knudsen is a vice-president in the East Bay United Fund.

The reorganization has the blessing of the East Bay United Crusade which will probably change its name in the future to indicate its Alameda County character, according to Dr. Forrest C. Michell, eastbay Crusade president.

"The East Bay United Crusade is officially on record as wanting to encourage this move," said Dr. Michell, assistant superintendent of Oakland Public Schools. "We are delighted for the people of that area to find the proper way to unify as a part of our United Crusade."

SAMUEL B. Stewart, vice president of UBAC said the development is an encouraging step towards simplifying the structure of the Crusade, and added that the establishment of Alameda and Contra Costa Crusades along county lines is one of the recommendations of the survey recently completed at UBAC's request by a team of administrative experts.

Stewart said that he would recommend to UBAC the acceptance of the plan.

Ben Goldberger, jeweler, is president of the Pittsburg Crusade and Jack Smith, carpenter and city councilman is president of the Antioch Crusade.

THE MAY MEETING will be at home of Mrs. Russell Usinger, 32 Las Amigos, Orinda, May 8 at 9:30 a.m. If interested in the Diabolo Adoption Auxiliary contact Mrs. Henry Sattler, MU 2-9327 or Mrs. R. W. ### Drive Pushed For Baldwin

Campaign plans to reelect Representative John F. Baldwin (R. Martinez) were rolling ahead this week under the direction of his committee of volunteers.

Baldwin, who was in his district during the congressional recess, is back in Washington, D. C., and will not return until Congress adjourns late this summer.

Harmon Howard of Walnut Creek, Baldwin's campaign manager, announced that Joseph F. Smith Jr. of Danville will serve as co-chairman of the Alameda area Citizens for Baldwin committee. Alfred Jones of Alamo is co-chairman in that area.

### Comstock Hits EBMUD

In a speech to the Lafayette Republican Assembly April 12, Comstock called for the removal of Joseph DeCosta from the County Planning Commission, declaring that DeCosta should never have been appointed to that post by the supervisors.

He said that DeCosta is an employee of East Bay Municipal Utility District and added: "The conflict of interest present is so obvious as to be an insult to the intelligence of county residents."

Comstock further stated that EBMUD is "one of the largest and most powerful of the land speculators with whom we have had to cope."

### Woman's Club Meet Becomes 'Fun Meeting'

The regular meeting of the Lafayette Woman's Club on Tuesday, at 12:30 p.m. at the Veterans Memorial Building will be converted into a "fun meeting" with the title, "May Day and Play Day."

The members will wear cottons, no hats, and each will bring a box lunch. Dessert and coffee will be served by Refreshment Chairman Grace Stankovic and her committee.

Mrs. A. Davey, Robert Miller and James D. Raymond.

President Mrs. Robert Lockey will conduct a short business meeting, after which bingo will be played.

On the agenda for the business meeting will be a vote on the purchase of a club house, and voting on the officers for the coming year.

Nominated to take office in the fall are Mrs. George Parsons, president; Mrs. Harold Mutnick, first vice-president; Mrs. Albert Alexander, second vice-president; Mrs. J. E. Campbell, recording secretary; Mrs. R. M. Alpen, corresponding secretary; Mrs. A. H. Young, treasurer; and Mrs. Neill Cornwall, auditor.

Present were Helen Weisner, Nancy Stewman, Claire Kennerley, Myrl Dommies, Barbara Hommer, Elsie Macdonald, Helen Jory and Billie J. Michael.

An engagement heralding comes from Mr. and Mrs. D. Reginald Tibbets of Moraga and Honolulu, who are announcing the betrothal of their daughter, Barbara Louise, to Lieutenant Richard L. Workinger, USN, son of Mr. and Mrs. Paul E. Workinger of York, Pa.

The future bride attended Anna Head School for girls, Acalanes High School and the University of California. She is the sister of Jon Tibbets, the granddaughter of the late Mr. and Mrs. Charles

DR. H. R. "BOB" QUINNEY (third from left), Democratic candidate for Congress from the 6th District, is pledged full support by local Democratic-group leaders—left to right, Robert Patmont of Orinda, Tom Kendall of Walnut Creek and William McKee of Lafayette, chosen as campaign co-managers in their respective communities. The scene was at the Dow Votaw home in Happy Valley, Lafayette, where Quinney and Russell Koch, Democratic candidate for the Assembly from the 10th District, met with local-area Democrats April 12. Not in the picture are three women who also are campaign co-managers — Grace Hanks in Orinda, Sharon Gittlesohn in Lafayette and Marion Powelson in Walnut Creek. — Sun photo by Mattson

### Xi Gammas Meet in WC

Xi Gamma Mu chapter of Beta Sigma Phi held its regular meeting in Walnut Creek at the home of Helen Jory.

President Helen Weisner conducted the business of the evening which was mainly reports. Marjorie Mitchell was hostess to the group at her home in Shore Acres for a Chinese dinner where members gathered to work on plans for Founders Day entertainment.

All member chapters will be attending of Concord Area Council. This year hostess chapter is Xi Delta Tau in Walnut Creek. Vice President Nancy Stewman reported on girls planning to take their Exemplar degree and join the chapter.

The Music Festival in Concord was announced and all interested are asked to contact Beth Simpson for information on how to help with this community project. Members are making the decorations for the coming Bongo Ball which is to be at the Diabolo Country Club May 5.

Main plans during the evening were for the convention being held in Fresno with report given by Myrl Dommies, the President Elect of Northern California Area Council. Seven members from the chapter will be leaving this week-end with Helen Weisner and Nancy Stewman as delegates.

Hostess for the evening with Helen Jory was Elsie Macdonald. May meeting of the chapter will be at Myrl Dommies' home in Concord.

Present were Helen Weisner, Nancy Stewman, Claire Kennerley, Myrl Dommies, Barbara Hommer, Elsie Macdonald, Helen Jory and Billie J. Michael.

### Barbara Tibbetts To Wed in May

An engagement heralding comes from Mr. and Mrs. D. Reginald Tibbets of Moraga and Honolulu, who are announcing the betrothal of their daughter, Barbara Louise, to Lieutenant Richard L. Workinger, USN, son of Mr. and Mrs. Paul E. Workinger of York, Pa.

The future bride attended Anna Head School for girls, Acalanes High School and the University of California. She is the sister of Jon Tibbets, the granddaughter of the late Mr. and Mrs. Charles

Sherritt of Miami, Fla., and Mrs. Edith M. K. Tibbetts and the late Frederick H. Tibbetts of Berkeley. Barbara is a descendant of a pioneer California family.

Her fiancé, who is stationed at Pearl Harbor aboard the USS Bigbee, was graduated from Millersville College, Pa., and is the brother of John Workinger of Lancaster, Pa., and Paul E. Workinger Jr. of Baltimore. The wedding, which will take place in Honolulu, will be held in May.

## Don Blackwood, Lafayette, Is County Polio Chairman

Don Blackwood of Lafayette is the new chairman of the Contra Costa Chapter, National Foundation for Infantile Paralysis, it was announced.

He succeeds Arnold Irwin of Richmond who has served as vice chairman and chairman for the past two years.

Other elected officers for 1956-57 are James Shoras of Concord, vice chairman, Santo Cimino of Pittsburg, treasurer, and Mrs. Lance Barden of Orinda, secretary of the executive committee.

Mrs. Alline Macomber, chapter executive secretary will remain in charge of the office and patient care program.

Reporting on chapter activities, Mrs. Macomber recently stated no new polio cases were reported to the chapter in March. Four transfers from other counties were accepted for treatment assistance.

Arrangements for home care

were completed for two patients dismissed from hospitals who require rocking beds for respiratory aids.

A total of six such patients are now receiving home care through financial assistance from the chapter.

The month's purchase of appliances included 18 braces, 1 wheelchair, 1 Hoyer patient lift, overhead trapeze for hospital bed and a Veri-Hite bed and mattress. Therapy had been extended for 36 patients and surgical procedures authorized for one spinal fusion and 6 muscle transplants.

Attending the first meeting of the newly-elected executive committee were Mrs. Lance Barden, Orinda; Mrs. Wakefield Taylor, Martinez; James Shoras, Concord; Don Blackwood, Lafayette; Philip Breck, director of the January March of Dimes and others. In his report on the campaign, Breck stated the total amount raised was approximately \$135,000.

### Claudia Mauzy Hostess at Sorority Meet

Claudia Mauzy, daughter of Mr. and Mrs. Elliott Mauzy of Walnut Creek, was official hostess this weekend to a regional meeting of Phi Mu sorority collegiate and alumna presidents and membership chairmen. The conference took place at the Eta Alpha chapter house in Berkeley of which Miss Mauzy is president.

Pauline Hart of Hayward and Betty Gordon of Orinda, both alumna of Eta Alpha of Phi Mu, were also present at the meeting. The group discussed plans for the regional State Day to be held in October at the Berkeley chapter. The State Day will be hosted by the Contra Costa and East Bay alumnae groups as well as the Eta Alpha collegiate chapter at the University of California.

The conference also discussed the "roundtables" to be held at the forthcoming National Convention of Phi Mu, scheduled for this summer in Mississippi.

Assisting Mrs. Myers in planning the party are Mrs. Griffith Squire, Mrs. James Newcomb, Mrs. Earl Plescia, Mrs. William Siebert, Mrs. R. G. Falk, Mrs. E. C. Murray, Mrs. A. E. Shiefvater, Mrs. J. M. Browning, Mrs. G. C. Coffee and Mrs. L. W. Tachella.

Proceeds from this benefit will go to the Childrens Home of California, one of the largest private adoption agencies in the nation.
